LA CALAVERA OAXAQUEÑA

*La Calavera valiente
Hoy acaba de llegar;* *Todos quítense el sombrero
Que así la deben mirar.*

Porque yo soy de Oaxaca
no hay hombre para mí,
Y ni a los más desalmados
Les da arriba les está.

No quiero que me insulten,
Charlatanes, caga vena,
Que yo no soy hablador
Sino valiente oaxaca.

A cualquiera lo despierto,
No me tiendo el corazon,
Y ninguno me haga menos,
Que lo despacho al panteón.

De nadie me sé dejar,
El miedo por mí no se hizo,
Y a todos meto de golpes
Y al hecho me comprometo.

Todos me levantan pelo,
Conmigo nadie se mete,
Y siquiese los que quieren
Y vamon chunde el pipete.

En mi tierra no hay coyotes;
Ni se riñen ni se rajan,
Y a todos los habladores
En el hoyo los encajan.

Si allí se fueran un poco
Se quitaran lo miedo,
Con el meo de perdiga
Y el mado prieto sabroso.

Allí cobrirán valte,
Con un vino de megal
Y con simpáticas chinas
De hermosura sin rival.

A mi vigueta me espanta,
Y ya de todos me río
Is pruebo ex que le to brinco:
Al brinco el apuño.

MASK UP

How can I protect my unvaccinated child?

Masked unvaccinated child

These are the best ways to protect your child, or a child you care for, who cannot get vaccinated yet:

Get vaccinated yourself. COVID-19 vaccines reduce the risk of people getting and spreading COVID-19.

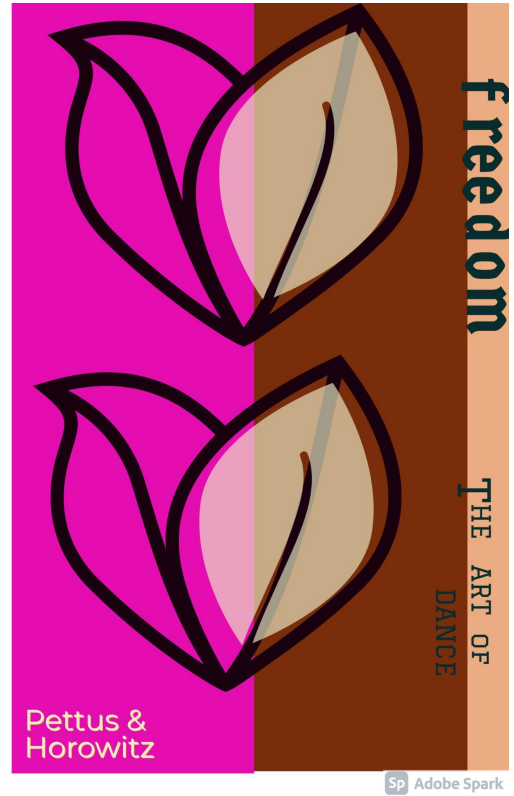

If your child is 2 years and older, make sure that your child wears a mask in public settings and takes other actions to protect themselves.

To set an example, you also might choose to wear a mask. If your child is younger than 2 years or cannot wear a mask, limit visits with people who are not vaccinated or whose vaccination status is unknown and keep distance between your child and other people in public.
