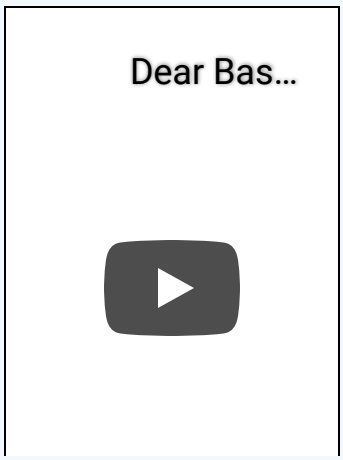
AIT Animation

In this unit we will be learning to do a short animation (GIF) while considering the ELA work you are doing in class (you can enter your topic of study here).

Animators create lifelike worlds in their stories by moving characters in meaningful

TRADITIONAL ANIMATION uses sequenced drawings.



3D ANIMATION also known as CGI, or just CG, is made by generating images using computers

GIF's use a series of images or soundless video that will loop continuously and doesn't require anyone to press play.

GIPHY - Be Animated

GIPHY is the platform that animates your world. Find the GIFs, Clips, and Stickers that make your conversations more positive, more expressive, and more you.
