for Business Events

Voyages Indigenous Tourism Australia - Ayers Rock Resort, Northern Territory

ABOUT

Australia is home to the world's oldest living cultures which have more than 65,000 years of ancestral heritage. Diverse Aboriginal and Torres Strait Islander cultures are found throughout the country, with over 120 different traditional language dialects still spoken today.

Discover Aboriginal Experiences is a collective of over 160 Aboriginal-guided tourism offerings, available in both urban and regional locations, which are delivered with integrity and authenticity by 48 different businesses and organisations throughout Australia.

These immersive experiences provide business event participants with a deep connection to Country and culture – they can range from one-hour, half-day or full-day experiences or can form part of a multi-day residential conference or incentive program. Activities might involve tasting bush foods, participating in dot-painting art classes, discovering ancient rock art, hunting for mud crabs

with Aboriginal guides, kayaking, quad biking or superb outback dining under a canopy of stars.

Aboriginal-guided activities and experiences can be integrated into a business event in many ways - examples include:

- 'Welcome to Country' ceremonies providing memorable and meaningful event openings.
- Aboriginal cultural awareness workshops where participants gain insights and knowledge.
- Culturally-focussed team-building activities enabling bonding and unique learnings.
- Traditional or contemporary cultural performances at business event social functions.
- Bespoke cultural engagement experiences to reward and inspire incentive high achievers.
- Activity options for accompanying partner programs or pre and post event touring.
- Community engagement delivering genuine connections and creating legacy outcomes.

HOW CAN WE HELP?

Discover Aboriginal Experiences is a source of creative ideas – we can assist with:

- Experiences and activities to match your event participant demographic and schedules.
- Providing introductions to our members and their group specialists.
- Information on Welcome to Country ceremonies and potential guest speakers.
- Images and video to promote your event and the selected experience.

'We chose the Hands-on Country Eco Tour available through Mandingalbay Authentic Indigenous Tours as our Team Bonding Day activity. It was the most amazing experience for us. We all learned so much and had a great time. Highly recommend this tour.'

DISCOVER ABORIGINAL EXPERIENCES CAN MOTIVATE, INSPIRE, ENLIGHTEN AND CONNECT BUSINESS EVENT GROUPS – EXAMPLES OF ACTIVITIES INCLUDE:

Snorkelling tours of the spectacular **Great Barrier Reef** guided by Indigenous Sea Rangers are available from *Dreamtime Dive & Snorkel* in Cairns/Gimuy, Tropical North Queensland.

The lofty perspective provided on the *Burrawa Indigenous Climb Experience* atop the **Sydney Harbour Bridge** combines adventure, an iconic landmark and evocative insights into life for the Eora Nation, the Aboriginal clans of the Sydney area, during the time of European colonisation.

Be immersed in the spectacular *Wintjiri Wiru** light, laser, projection and drone experience delivered by *Voyages Indigenous Tourism Australia* at **Uluru** in the Northern Territory, bringing to life the Mala story, an ancient story of the **Anangu**, the Aboriginal Traditional Owners.

Take a cultural quad bike tour with *Sand Dune Adventures* at **Port Stephens**, north of Sydney, to experience extensive sand dunes, learn about the culture of the Worimi people, including how to find bush tucker and dig for water. The Murrook Culture Centre also serves as an event venue which can cater for up to 200 people.

Boomerang and spear throwing, dot painting, traditional dance performances and a guided walk are amongst many cultural activities available during the *Pamagirri Aboriginal Experience* at Rainforestation Nature Park in **Kuranda** near Cairns/Gimuy, Tropical North Queensland.

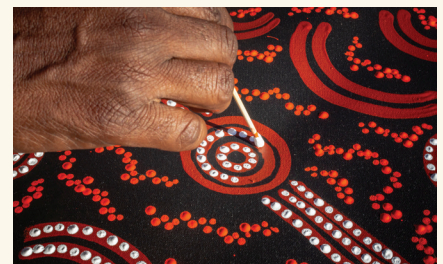

Learn about the nutritional and healing properties of native foods and plants with *Dale Tilbrook Experiences*, near **Perth/Boorloo** in Western Australia and sample traditional bush foods.

Enjoy *Flames of the Forest*, a seven-dish banquet dinner served under a silk canopy illuminated by crystal chandeliers at **Port Douglas** in Tropical Far North Queensland. Cultural experiences are interwoven with the dinner as your *Kuku Yalanji* hosts share music, ceremony and storytelling.

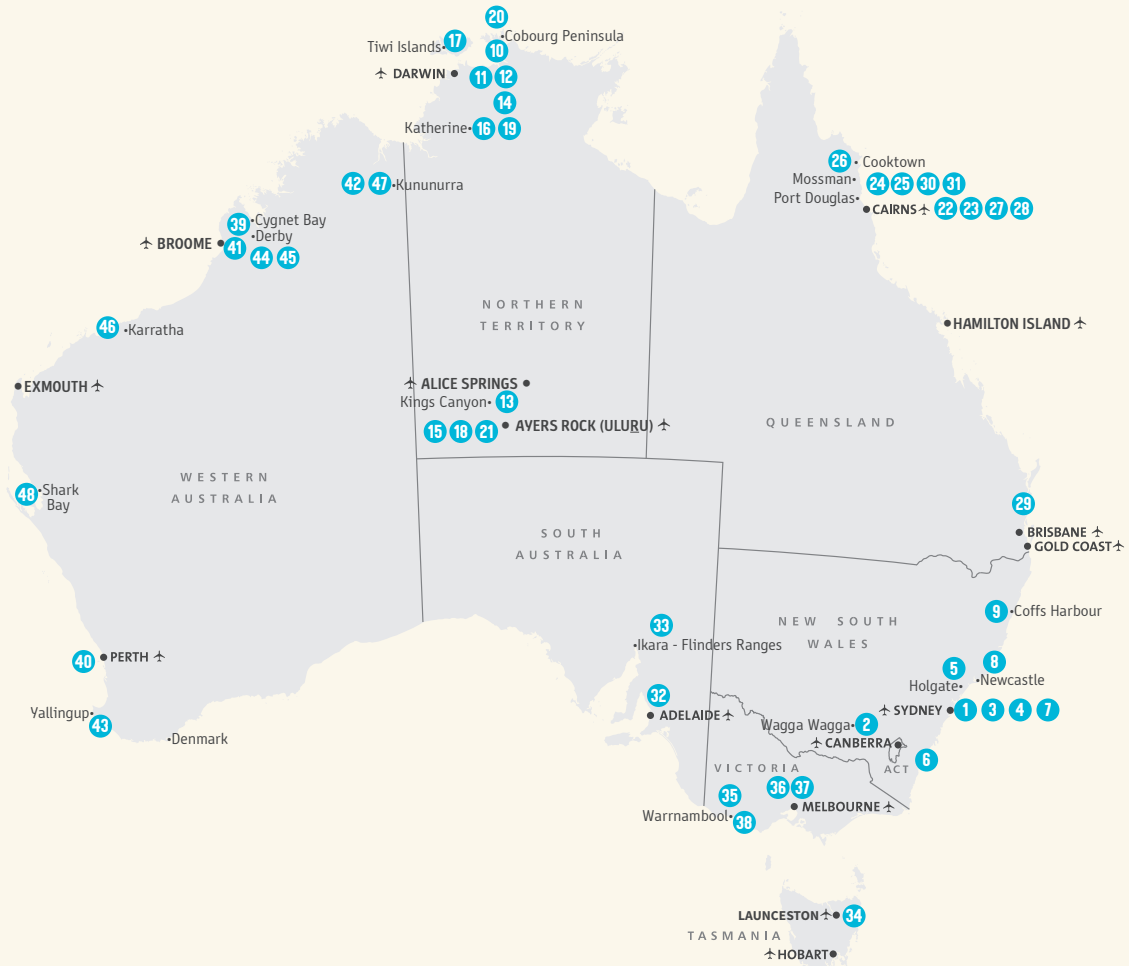

Experience Aboriginal Australia in an urban setting with **Melbourne/Narrm's Koorie Heritage Trust**. Led by an Aboriginal guide, walk to the Yarra River to view art installations and experience the Aboriginal history and stories of the city.

Join a dot-painting workshop and take home your own masterpiece from a *Maruku Arts* dot-painting workshop in **Uluru**; or join an art class at Janbal Gallery in **Mossman**, Far North Queensland, with both options highlighting meanings and interpretations behind the symbols.

**As custodians of the land, Anangu hold the Mala story from Kaltukatjara to Uluru. To share their story from Kaltukatjara to Uluru, RAMUS designed and produced an artistic platform using drones, light and sound to create an immersive storytelling experience.*
