

SOUTHERN VALLEY TRAILS

WINTER 2021

GROOMED NORDIC SKI TRAILS

Yeti's Loop

SUGGESTED USE

- Classic Ski
- Skate Ski
- Snowshoe

This trail was constructed and groomed as a cross country ski route. Enjoy the full 3.1 mile (5K) loop, or take the cutoff for a 1 mile loop. Ski counter-clockwise for a mellower ascent and steeper downhill pitch. Classic track and skate lane groomed.

Campground Loop

SUGGESTED USE

- Classic Ski
- Skate Ski
- Snowshoe

Not as steep as Yeti's Loop and a great loop through the forest. The lower section of this trail shares the route with the Happy Hour singletrack trail. Be cautious of other trail users.

GROOMED SNOWMOBILE TRAILS

BPA (Powerline) Rd.

This is the preferred groomed motorized route through the Southern Valley Trails Project area. 3 miles of machine groomed trail between Mike Harris and Pole Canyon.

Sherman Spgs Access Rd.

Groomed access route for all winter trail users. Dogs are welcome on this 1.5 mile access trail.

SUGGESTED USE

- Snowmobile
- Nordic Ski
- Fat Bike
- Snowshoe

GROOMED SINGLETRACK TRAILS

SUGGESTED USE

- Fat Bike
- Snowshoe
- Shuffle Ski

Please Consider Wearing Snowshoes or Skis

These singletrack trails are groomed to accommodate fat bike use. You can enjoy these trails without a fat bike, but please be courteous to our grooming efforts and don't damage the trail.
