

SOUTHERN VALLEY TRAILS

Winter 2019

Teton Springs

SUGGESTED WINTER TRAIL USE

Yeti's Loop Trail

- Nordic Ski
- Snowshoe

This trail was constructed and groomed as a cross country ski route. Enjoy the full 3.1 mile (5K) loop, or take the cutoff for a 1 mile loop. Ski counter-clockwise for a mellower ascent and steeper downhill pitch.

BPA (Powerline) Rd.

- Snowmobile
- Nordic Ski
- Fat Bike
- Snowshoe

This is the preferred groomed motorized route through the Southern Valley Trails Project area. It's 3 miles of machine groomed trail between Mike Harris and Pole Canyon.

GROOMED SINGLETRACK TRAILS

Nemo

- Fat Bike
- Snowshoe
- Shuffle Ski

Lady Slipper

Teton Springs

Please Consider Wearing Snowshoes or Skis

These singletrack trails are groomed to accommodate fat bike use. You can enjoy these trails without a fat bike, but please be courteous to our grooming efforts and don't damage the trail. Ride these trails as an out-n-back, or choose your own adventure and create a loop with the BPA Rd.
