

HORSESHOE YURT RENTAL INSTRUCTIONS

ARRIVAL/CHECK OUT TIMES

Check in at 12 pm and check out is at 11 am. Please have the yurt ready to go for the next group.

RECOMMENDED EQUIPMENT LIST

The Horseshoe Yurt is equipped for a group of up to 6 people. This includes:

Bunkbeds and mattresses for 6 (2 full sized and 2 single)

Cooking and serving supplies – 3-burner propane cook stove, propane, cookware, dishes

Heat is from an electric heater on thermostat and a propane fireplace.

Paper and cleaning supplies – toilet paper, paper towels, garbage bags, sponges, soap

Electric lighting and plugs for charging personal electronics (there is cell service at the yurt)

There is a non-potable spigot on the hill above the yurt. This water must be boiled or treated prior to consumption.

Please leave us a note and let us know if you notice anything to be missing, broken, or inoperable so that we can repair!

What you will need to bring:

You will need to bring a sleeping bag, pillow if desired, headlamp, food and beverages, clothing, and all ski, personal safety, and other recreational gear.

EMERGENCY CONSIDERATIONS

The Horseshoe Yurt is an unguided, unhosted, basic winter rental similar to rental of a Forest Service cabin. Yurt renters are fully responsible for their own health and safety when renting the Horseshoe Yurt. Parties should be aware that organized outside rescue may not be available and that risk management, accident prevention, and, if necessary, self-rescue are the responsibility of every group that uses the yurt.

There is cell coverage at the yurt and in the area. SPOT Locator and Garmin InReach type devices can also initiate an emergency response.
