Procter & Gamble Health Announces Second Quarter Results

Sales up 18% and PAT up 26% for the quarter ended September 30, 2026

Mumbai, November 2, 2026: Procter & Gamble Health Ltd. ("the Company") today announced its financial results for the second quarter ended September 30, 2026. The Company delivered sales of ₹376 crores, up 18% versus a year ago, driven by strong brand fundamentals, superior retail execution, positive consumer response to new innovations and strengthened go-to-market capabilities. Reported Profit After Tax (PAT) stood at ₹112 crores, up 26% versus a year ago, led by growth in sales and productivity across the value chain.

Milind Thatte, Managing Director, P&G Health India, said, "We have delivered another strong quarter with double-digit topline and bottom-line growth, continuing the momentum of the previous quarters. The growth reflects the positive response of consumers, patients and health care professionals (HCPs) to our science-backed superior healthcare products and innovations amid growing consumer focus on preventive health. It also demonstrates the impact of our strong retail execution, new consumer communication and HCP awareness initiatives and strengthened go-to-market and supply chain capabilities.

We are delivering balanced growth and value creation for all our stakeholders, driven by our strategy that is centred on a focused portfolio of quality, trusted and highly recommended brands where performance drives brand choice, superiority (across product, package, brand communication, retail execution and value), constructive disruption, productivity, and an agile accountable organization."
