

Procter & Gamble Health Announces Third Quarter Results

Sales up 21% for the quarter ended December 31, 2025

Mumbai, February 6, 2026: Procter & Gamble Health Ltd. (PGHL) today announced its financial results for the third quarter ended December 31, 2025. The Company delivered sales of ₹368 crores, up 21% versus a year ago, driven by strong brand fundamentals and positive consumer response to new innovations. Profit After Tax (PAT) stood at ₹78 crores for the quarter.

Mr. Milind Thatte, Managing Director, P&G Health, said, "We delivered a strong top-line growth in the quarter, continuing the momentum from the first half of the financial year. This comes behind our strategic efforts across the value chain, including new innovations like Livogen Iron Gummies and Neurobion Nerve Pain Relief Cream, and strengthening of supply chain capabilities. We remain committed towards addressing the evolving needs of our consumers, customers and healthcare professionals, via superior brand building, go to market initiatives, and innovations backed by science to help our consumers live healthier and more vibrant lives.

We are delivering sustainable, balanced growth and value creation for all our stakeholders, driven by our strategy that is centred on a focused portfolio of quality, trusted, and highly recommended brands where performance drives brand choice; superiority (across product, package, brand communication, retail execution and value), constructive disruption and an agile accountable organization."

The Company has declared an interim dividend of ₹160 per equity share (including one-time special dividend of ₹50 per share) for the financial year 2025-26.
