

Procter & Gamble Health Announces Second Quarter Results

Sales up 3% and PAT up 8% for the quarter ended September 30, 2025

Mumbai, November 5, 2025: Procter & Gamble Health Ltd. (PGHL) today announced its financial results for the second quarter ended September 30, 2025. The Company delivered sales of ₹319 crores, up 3% versus a year ago, driven by strong brand fundamentals and positive consumer response to new innovations. Profit After Tax (PAT) stood at ₹89 crores, up 8% versus a year ago, led by growth in sales.

Mr. Milind Thatte, Managing Director, P&G Health India, said, “We are pleased with the sustained growth momentum after a strong start to the Financial Year 2025-26, with balanced growth across both top-line and bottom-line for the second consecutive quarter. This is driven by strategic efforts across the value chain including a strategic consumer communication initiative on Evion and Seven Seas, and the introduction of new products like the Livogen Iron Gummies and Neurobion Nerve Pain Relief Cream among others. Further, we continue to strengthen our supply chain capabilities, ensuring we are addressing the evolving needs of our consumers, customers and healthcare professionals, via superior brand building, go to market initiatives, and innovations backed by science.”
