(ACS Administration is only available in the continental United States, Alaska, and Hawaii.)	
ESRP Asurion Administration	For devices eligible for ACS Administration, the third or subsequent ADH claim and all malfunction claims after 24 months will be covered under Asurion Administration. For all other devices, and for devices not enrolled in Sprint Complete, all claims are under Asurion Administration.		
ESRP Stand-alone			
Monthly charge	Tier 1	Tiers 2-4	Tier 5

Important Information: For approved claims, a repair or replacement device will be provided at our discretion. For repairs, you will be required to bring or mail your device to an authorized repair center. Remote repair options may be available at time of claim for select devices, subject to parts and technician availability. Additional information on repairs is available at phoneclaim.com/sprint, which includes a list of eligible devices, types of repairable damage, and available select repair locations.

Repair eligibility is subject to change. If you have an eligible device that is not repairable, a device that is ineligible for repair, there is not an authorized repair location available, or we decide that a replacement is necessary, you will receive a replacement device and be charged the replacement service fee. If you have a water-resistant device, it may not be water-resistant after repair. After your repair, your device will be of like kind and quality with similar features and functionality.

Changing Your Device: In the ESRP portion of your coverage, if you change to a device that is covered under Asurion Administration, the Asurion Administration service fees will apply and any ADH and malfunction claims will carry over to the newly activated device. If you change to a new eligible device that is covered under ACS Administration, the ACS Administration service fees will apply as applicable and any ADH or malfunction claims will not carry over to your new device because your claim count resets.

¹ The monthly charge for Sprint Complete includes the cost of insurance provided in the program. For customers who elect insurance coverage, the monthly insurance premium may include fees payable to Sprint and/or Asurion. Monthly charge per device and deductible depend on device type. See schedule on phoneclaim.com/sprint for a complete list of devices with applicable pricing and deductible tiers. All applicable taxes and surcharges extra. Additional Information

Duplication of coverage

The Equipment Replacement Program or the Advanced Device Insurance may provide a duplication of coverage already provided by a consumer's insurance (auto, renter, homeowner, personal liability) or other source of coverage. All program coverage begins on the date you enroll your device and continues until canceled or terminated pursuant to the program terms and conditions. The Equipment Service and Repair Program and the Advanced Device Service and Support Program may provide certain enhanced coverage during the term of the manufacturer's warranty.

Associate qualifications

Unless otherwise licensed, Sprint sales reps are not qualified or authorized to evaluate the adequacy of your existing insurance coverages. Questions regarding this program should be directed to CNA's licensed agent, Asurion Protection Services, LLC, at 1-800-584-3666.

Optional

Insurance and service contract coverage is optional and you are not required to enroll in these programs in order to purchase services or equipment. Insurance program enrollment or claim authorization shall be at the sole discretion of CNA or Asurion in accordance with the terms and conditions and applicable law.

Digital communications

If you have provided or in the future provide your email or other electronic address to Sprint, Asurion, or its partners involved in administering this program, Asurion may communicate program information and legal notices to you through electronic means to the last address Asurion has on file.

Device coverage

Sprint Complete coverage is only available for products or devices with cellular connectivity and/or an established MDN. For coverage to apply to a particular device, you must own or lease the device and have used (logged voice or data use) that device on your enrolled wireless number after initial enrollment. Coverage applies to only one device at any given time and the covered device will be your most recently used device on your wireless number at the time of the loss. See terms and conditions for the full definition.

Covered equipment

Wireless device, and if part of the covered loss, one standard battery, one standard charger, one standard watch band, and one Subscriber Identification Module (SIM) card. Devices NOT eligible for coverage: Boost or Virgin devices, 4G-only devices, GSM-only devices, MVNO models, special/limited-edition devices, netbooks, notebooks, desktop modems, intrinsically safe device: r765IS by Motorola, Samsung Gear S II.

Non-return fee

If your device is damaged or if your lost device is later found, you can avoid non-return fees of up to \$1,500 (the fee is based on the cost of the claim to the insurance company) by simply returning the device as directed by us in the return envelope that we provide to you.

Binding arbitration

THE SERVICE CONTRACT AND COVERAGE CERTIFICATE EACH CONTAIN A BINDING ARBITRATION PROVISION THAT REQUIRES THE SUBMISSION OF ALL DISPUTES (EXCEPT WHERE EXPRESS STATE EXEMPTIONS ARE PROVIDED) TO FINAL AND BINDING ARBITRATION IN ACCORDANCE WITH THE PROVISIONS SET FORTH IN THE SERVICE CONTRACT AND IN SECTION VIII.G OF THE COVERAGE CERTIFICATE.

In the unlikely event we cannot informally resolve any disputes, you will be required to: 1) RESOLVE ANY DISPUTES THROUGH BINDING AND INDIVIDUAL ARBITRATIONS OR SMALL-CLAIMS COURT ACTIONS INSTEAD OF THROUGH THE COURTS OF GENERAL JURISDICTION; AND 2) WAIVE YOUR RIGHTS TO A JURY TRIAL AND TO PARTICIPATE IN CLASS ACTIONS OR CLASS ARBITRATIONS. (EXPRESS STATE EXEMPTIONS MAY APPLY; PLEASE SEE YOUR PROGRAM TERMS AND CONDITIONS.)

Exclusions and limitations

Coverage includes limitations and exclusions. For example, cosmetic or intentional damage and unauthorized repairs. Complete exclusions and limitations can be found in the terms and conditions.

NOTE: Any person who knowingly and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of insurance fraud. In Florida, such conduct is a felony of the third degree. In Oregon, this note does not apply.
