

For the past 20 years, Asurion has helped people across the globe balance the interdependency between life and technology. Today, as the industry-defining leader of technology solutions, we ensure **280 million consumers'** devices and appliances stay online and on the job in this fast-moving, tech-driven world.

Asurion is a Fortune 500-sized business backed by some of the world's leading private equity firms.

We ensure technology and people are harmonious. And your life is in balance.

We do so across the digitally connected globe, by speaking **six languages**, and by working across any device, platform or provider.

We do this in **44 offices** around the world, with our global headquarters in Nashville, TN, our Asian Pacific HQ in Hong Kong, and our European HQ in London.

We are the **trusted partner** to some of the biggest retailers, manufacturers and service providers in the world, including AT&T, China Mobile, DIRECTV, DoCoMo, KDDI, Sprint, Target, Telus, Verizon Wireless and Walmart.

Together, we offer best in class:

**Device Protection**

Coverage for loss, theft, damage, and out of warranty malfunction

**Protection Apps**

All-in-one phone and data protection with easy one-click access to live support

**Premier Support**

Quick resolution to any device issue or question

**Electronics Protection**

Coverage for computers, laptops, tablets, gaming consoles, televisions and home phones of basically any age, brand or size

We're a technology company; we help consumers to get the most out of their technology and electronics. But we're also an amazing group of people, 15,000 strong.

We offer a **comprehensive benefits package**. Our choices include 3 medical plans, 2 dental plans and matching 401(k) with ROTH option.

Similar to Netflix, Evernote and others - we **do not accrue or restrict vacation time**. Using Exempt Time Off you coordinate with your manager to take time off as needed.
