Agreement. You agree to all the provisions of this contract when you enroll in the program and pay for it. We may change the monthly charge for the program or these terms and conditions from time to time upon at least thirty (30) days' written notice to you. Such notice may be provided in a bill insert, as a message printed on your bill, in a separate mailing, or by any other reasonable method, at our discretion. By providing your electronic address to us, Asurion or Bell, you are authorizing us to communicate with you electronically. Your continued use of the program and payment of the charges, after such notice, constitutes your acceptance of the changes. The program is available only to customers of Bell. Your participation in the program is optional, and you may cancel the Plan at any time. Please refer to the provision in this Plan regarding cancellation.

What is Covered: If the covered device fails due to a covered breakdown that is not covered under any insurance policy, warranty or other service plan, we will, at our sole option, repair it or replace it with a device of comparable kind and quality. We may, at our discretion: (i) repair the covered device; (ii) replace the covered device with a replacement device; or (iii) reimburse you in the form of an electronic payment or check for the replacement cost of the covered device as determined by us, based on the value of the covered device, as determined by us, immediately prior to the covered breakdown. Non-original manufacturer's parts may be used for repair of the covered device if the manufacturer's parts are unavailable. Technological advances may result in a replacement product with a lower selling price than the original product. The wireless device we provide as the replacement device immediately becomes the covered device. **NOTE:** You are responsible for backing up all software and data prior to commencement of any repairs. We are not responsible for any lost data, including documents, databases, messages, licenses, contacts, passwords, books/magazines, games, photos, videos, music, or other nonstandard software or data on your product.

Plan Period: Your coverage begins on the date you enrolled in the program and continues month-to-month until terminated by you or by us. We may elect not to renew the program upon thirty (30) days' written notice to you. The program is inclusive of the manufacturer's warranty; it does not replace the manufacturer's warranty but provides certain additional benefits as outlined in the "Definitions" provision during the term of the manufacturer's warranty. After the manufacturer's warranty expires, the Plan continues to provide some of the manufacturer's benefits as well as certain additional benefits listed within the program's terms and conditions.

Charges. You will be billed once each month on your bill from Bell. Applicable service fees, non-return charges, non-covered claim charges, shipping and restocking charges, taxes, and regulatory surcharges and

assessments, if any, may be added to your bill or, at our discretion, collected from you prior to providing a replacement device.

To Make a Claim / How it works: When your covered device experiences a covered breakdown, call Asurion at 1-866-213-2143 or visit [asurion.com/claims/bell-mobility](https://www.asurion.com/claims/bell-mobility), to process your claim 24 hours a day, 7 days a week, within 30 days of the covered incident. **You must call prior to having your product serviced; all repairs or replacements must be authorized in advance.** Unauthorized repairs or replacements may not be covered. Once a claim is approved, the Insured will receive the replacement by mail within 2 to 10 business days to the address provided during the claim process. If a replacement is provided, you will receive the replacement device by mail within 1 to 10 business days, in most cases. If you choose to have the replacement device delivered on a Saturday, an additional \$20 shipping fee will apply. If the replacement device is shipped outside of Canada, an additional \$30 shipping fee will apply. We may require you to fill out a claim facilitation form prior to receiving service or a replacement under this Plan. You may also be required to produce photo identification issued to you by a Provincial or Federal government office as a condition of receiving service or replacement or reimbursement under this Plan.

Claim Limit: A maximum of two (2) claims will be allowed in any consecutive 12-month time period for the covered device. When this limit is exhausted, our obligations under this Plan will be satisfied and your coverage will terminate. For any single claim, the maximum amount we will spend to replace or repair the covered device is \$3,000.00.

Claim Service Fee: You must pay a non-refundable claim service fee, and any applicable taxes, for each approved repair or replacement before your claim can be completed, and the service fee does not reduce the Claim Limit. The service fee amount is based on the device tier of the claimed covered device, as shown in the schedule below. See [asurion.com/claims/bell-mobility](https://www.asurion.com/claims/bell-mobility) for the specific claim service fee for your device.

Device Category	Claim Service Fee
Tier 1	\$49
Tier 2	\$99
Tier 3	\$149
Tier 4	\$249
Tier 5	\$449

Return of Replaced Device/Non-return Charge: The covered device approved for replacement must be returned to us. You will be required to return the claimed covered device to us at our expense within fifteen (15) days, in the return mailer we provide. You must return the covered device as directed by us, including unlocking the covered device, or pay a non-returned device charge of up to \$1,150. **YOU CAN AVOID THIS CHARGE BY SIMPLY RETURNING THE COVERED DEVICE AS DIRECTED.** If you return a device that is not the covered device, a shipping and restocking fee of \$15.00 may be charged.

Transferability: This program is non-transferable.
