Terms & Conditions

Please read the Terms and Conditions in full so you understand what's covered and what's not. The terms 'we', 'our' and 'us' means Asurion (the policy administrator) and Liberty Mutual Insurance Europe Limited (the insurer).

A. Your cover

Virgin Media Protect gives worldwide cover to protect your phone against:

- Loss and Theft
- Accidental damage (including cracked screens and liquid damage)
- Malicious damage
- Pet damage
- Out of warranty breakdown

You can buy Virgin Media Protect when buying or upgrading your phone with Virgin Media and you'll be covered as soon as the phone is in your hands. You're covered whilst travelling and when you lend your phone to family or friends.

B. The cost of cover

Your monthly premium and claim excess fee (which is the amount you have to pay towards the cost of your replacement device to complete a claim) is based on the phone's value at time of purchase.

Monthly premiums	£2	£4	£6	£8		
Claim excess fees	£30	£60	£80	£100	£125	£150

We'll collect your monthly premium in advance by separate direct debit (this will show on your statement as NEWAsurion Europe LTD RE VirginPhoneIns). We'll need to collect your first month's premium before any claim can be completed, your cover then renews automatically for the next 59 months. As your device ages and falls in value, we'll adjust your excess fee downwards. You can call us to find out your current excess fee.

C. What's not covered

We do not offer 'new for old' cover. Your replacement phone may be refurbished to our standard (using original parts only). Our aim is that you will not be able to tell the difference in standard between a new and refurbished phone.

It's important you understand that you're not covered for:

- Any phone other than one purchased from Virgin Media, replaced by us or replaced under manufacturer warranty.
- Any claim if your Virgin Media Protect policy is in arrears (you can make a catch up payment and complete the claim).
- The excess fee you have to pay to complete a successful claim.
- Any calls, data usage or downloads made on a missing phone.
- A third claim or subsequent claims made within a 12-month period. We'll cancel your Virgin Media Protect policy immediately

after two successful claims have been completed in any 12-month period from the date of the first incident.

- Accessory-only claims and accessories other than the battery, mains charger and hands-free kit that came with the phone.
- Cosmetic damage (where there is no loss of functionality – except where you are claiming for a cracked screen) and damage caused by wear and tear, repairing or altering the phone or acting against manufacturer guidelines.
- The cost of any repairs to your phone unless instructed by us.
- Any fault that happens within the manufacturer's warranty period. This is the period during which the manufacturer has provided an assurance that your phone will be free from manufacturer faults.
- Any malicious or deliberate damage caused by you or somebody you have authorised to use your phone.
- Any veterinary costs if your pet needs treatment after damaging your phone.
- Any indirect losses from the claim incident, which means any consequences you face as a result of being without your phone.
- Loss or corruption of any kind of software or digital content other than standard manufacturer software.
- Confiscation of your phone by a finance company or government agency (such as the police).
- Any claim that we find to be fraudulent.

If you report a claim to us more than 90 days after discovering the loss, theft, fault or damage to your phone, we will still consider your claim, but it may impact our ability to assess your claim and could, in some cases, result in it being declined.

D. Making a claim

1. For lost or stolen devices, call Virgin Media as soon as possible (we recommend you do this within 48 hours) on 0345 6000 789* (+44 7953 967 967 from abroad) to block it against unauthorised use. We recommend you report any stolen device to the police, as we have the right to require a crime reference number to complete your claim.
2. Submit your claim online 24/7 at www.virginmedia.com/protect
3. Call our Virgin Media Protect team on 0345 030 3291* to make a claim, ideally within 30 days of discovering the loss, theft, breakdown or damage. If you're calling from abroad please dial +44 345 030 3291* replacing + with the international dialling prefix relevant to your location.

Please have a payment card ready to pay your claim excess fee.

When you make a claim for loss or theft of your phone, we'll block your original phone automatically before sending any replacement. We won't be able to complete your claim until you agree to our blocking your original device. Once your claim is completed, we (and only we) can unblock that device.

We aim to send a next-day 'as new' replacement for claims approved before 8.30pm Monday to Friday and 2.30pm on weekends. If we're late, let us know and we'll give you £20, credited to your bank account within 30 days. This excludes:

- Claims made or deliveries that fall on a Bank Holiday.
- Any delivery outside of Great Britain including deliveries to the Scottish Islands, Northern Ireland and the Channel Islands
- Any delay caused by something outside our control like extreme weather, natural disaster, epidemic or crime.

Please make sure someone is in to sign for the delivery. Your replacement comes with:

- Our 24-month warranty on your replacement phone
- The usual phone accessories, if yours were involved in the incident or we provide you with a different-model replacement
- Prepaid packaging to return your damaged or faulty phone (minus your SIM card, battery and charger).

As soon as we settle your claim, your original phone becomes the property of the Insurer. A damaged or faulty phone (and any lost or stolen phone later recovered) must be returned to us within 15 days of receiving your replacement (or recovering your lost or stolen phone). Otherwise, we'll charge a non-return fee (based on the value of your non-returned phone) to the payment card used to pay your excess fee. The phone is your responsibility until it arrives with us, so please make sure you get proof of postage at the Post Office. If you don't send us the original damaged or faulty phone (or lost or stolen phone you later recovered) and we have not been able to charge your card for its value, we will not approve any subsequent claim until you have returned the phone or paid the outstanding amount.

You must also comply with our reasonable instructions, such as disabling any app which prevents us access to the removal of data from your damaged or faulty phone.

E. Cancelling your cover

You can cancel within the first 28 days and (if you haven't made a claim) we'll refund any premium paid. Otherwise, you can cancel at any time and cover will finish at the end of the paid-for period.

If you choose insurance again when you upgrade your phone with Virgin Media, we'll cancel cover on your old phone and send you another welcome pack confirming your cover start date, premium and excess fee for the new phone.

We'll cancel your policy immediately if you fail to pay the monthly premium, have two successful claims in any 12-month period, upgrade your phone or cancel your contract with Virgin Media. We may also cancel your policy by providing you with 30 days' notice, sent to the current contact details we have for you.

F. How to complain

To make a complaint, you can call or email us (see contact details at the top of these Terms) or write to us at PO Box 71012, London W4 9FW. If we can't resolve your complaint right away, we'll email or write to you within five working days to outline our next steps. If it's still not resolved within two weeks, we'll contact you again to keep you up to speed on what's happening.

If you're not happy with the outcome of your complaint or we haven't given our final response within 8 weeks of you raising your complaint, you can contact The Financial Ombudsman Service at: Exchange Tower, London, E14 9SR, complaint.info@financial-ombudsman.org.uk or 0800 023 4567 (Freephone) or 0300 123 9123.

You'll need to contact them within 6 months of receiving our final decision about your complaint. The service is free and we are bound by any decision the Financial Ombudsman reaches. This won't affect your statutory rights or prejudice your right to take subsequent legal proceedings. You can find out more at financial-ombudsman.org.uk.
