If electronic delivery is not possible, this information will be mailed to you. Legal notices will not be sent to New York customers electronically.

¹ Verizon Mobile Protect Multi-Device consists of: Wireless Phone Protection, Verizon Extended Warranty, and Mobile Secure (each available separately). Lost, stolen or damaged device replacements are provided by Wireless Phone Protection, which is insurance coverage underwritten in Georgia by LM General Insurance Company (Boston, MA), in Indiana by Indiana Insurance Company (Boston, MA), in Louisiana by Liberty Personal Insurance Company (Boston, MA), in New Jersey by Liberty Mutual Mid-Atlantic Insurance Company (Boston, MA), and in all other states, Liberty Insurance Underwriters Inc. (Boston, MA) or one of its insurance company affiliates; in Florida, Wireless Phone Protection includes coverage for post-warranty malfunctions (device replacement deductible and claim limit apply). Asurion Insurance Services, Inc. (in California, Agent License #OB35141; in Iowa, Agent license #1001000131), is the Agent and provides the claims servicing under this program. Except in Florida, repairs and replacements for post-warranty malfunctions are provided through the Verizon Extended Warranty program; the obligor of the Extended Warranty program is Verizon Wireless Services, LLC.

² Cracked glass repair is available for approved claims on select smartphones in select locations and is subject to inventory, parts, and technician availability and other criteria, which are subject to change at any time. Visit phoneclaim.com/verizon to check current device eligibility. Repairs are performed by an Asurion-certified technician and come with a 12-month limited warranty. Repairs may use new or refurbished parts, and may contain original or non-original manufacturer parts, and may void the manufacturer warranty. Repair options may include in-store repair, mail-in repair or at-home repair. This benefit is provided by Wireless Phone Protection.

³ Available for approved insurance claims for replacement of select smartphones in select locations and is subject to claim approval time, inventory and technician availability and other criteria, which are subject to change at any time. Available for new devices purchased on verizon.com, dependent on delivery location, device availability, time of purchase and availability of setup expert.

⁴ OS restrictions apply. A smartphone is required to download the Digital Secure app, select features may be accessed on tablets and computers. Compatible smartphone required for call filtering services; features included vary by device. High-risk spam calls are automatically blocked and forwarded to voicemail. Download the Call Filter app to manage all settings and access custom controls.
