

YAHOO PLUS TECH TECHNICAL SUPPORT TERMS OF SERVICE

Your use of the Yahoo Plus Tech Plan (hereinafter, the “Plan”) is subject to the Yahoo Plus Tech Technical Support Terms of Service described below (hereinafter, “Services”); your use is also subject to the Verizon Media Terms of Service, which is available at <https://www.verizonmedia.com/policies/us/en/verizonmedia/terms/otos/index.html>. Please read both the Yahoo Plus Tech Technical Support Terms of Service and the Verizon Media Terms of Service carefully, and do not use the Services if you disagree with them. Additional information about the Services is available at <http://subscriptions.yahoo.com/products/yahoo-plus-tech>. ADDITIONALLY, ANY DISPUTES UNDER THIS TERMS OF SERVICE SHALL BE RESOLVED IN ACCORDANCE WITH THE DISPUTE RESOLUTION PROVISIONS IN THE VERIZON MEDIA TERMS OF SERVICE, WHICH TERMS ARE INCORPORATED BY REFERENCE. SPECIFICALLY, YOU AND VERIZON MEDIA INC. BOTH AGREE TO RESOLVE ALL DISPUTES UNDER THIS TERMS OF SERVICE ONLY BY ARBITRATION OR SMALL CLAIMS COURT AND YOU WAIVE ANY RIGHT TO A JUDGE OR JURY IN ANY ARBITRATION.

Supported Devices & Use of Services. The Services are available for devices in your immediate household that are covered under the Plan and/or that can connect to your wireless network (“Supported Products”), subject to the exclusions described in the “Scope of the Services” below and other exclusions as decided by Verizon Media Inc. in its sole discretion. Data usage charges may apply to the Services. In some circumstances, you may need to supply or purchase additional equipment or software to receive the full benefit of the Services, and you are responsible for the cost of that equipment or software. The Services may also include one (1) in-home visit per 12-month period (“Visits”) by a Connected Home Expert (“Expert”). You need not consent to a Visit in order to utilize the benefits of the Plan or the Services. See below for Scope of Services and Visits.

The Services include: (a) technical support for your Supported Products (as defined in the Plan) and the operating systems and software applications on them; (b) technical support for the use of your Supported Products with other devices and services manufactured to be compatible with your Supported Products or intended to be connected to them (excluding any Verizon-branded or provided home router or audio/video streaming device); and (c) one (1) optional in-home visit per 12-month period by an Expert as further described below.

The Services do not include: (a) activation of your wireless devices; (b) assistance with wireless network coverage issues, such as dropped calls/data interruptions; (c) facilitating or activating over-the-air updates to operating systems, firmware, or other software on your behalf; (d) diagnostic support unrelated to your Supported Products; (e) modification of Original Equipment Manufacturer (“OEM”) software; (f) installation of third-party software or OEM drivers not supported by the Supported Products; (g) repair of broken or defective computers, peripherals or home or wireless routers, modems or networks; (h) installation of non-sanctioned applications; (i) data migration from computer device to computer device; (j) assistance with any Verizon-branded or provided home router or audio/video streaming device; or (k) assistance with specialized devices related to medical care, including but not limited to emergency assistance/first responder devices.

Scope of Visits. The Visits will only be performed upon your request and consent, and they are optional. Prior to scheduling a Visit, Asurion may require that the services described below first be performed via a live voice or messaging session.

The Visits will be conducted in your home for the purpose of: 1) troubleshooting home technology issues; 2) assistance with product set-up and configuration, including establishing streaming services, whole home data back-up, connecting “smart” home products, and parental controls; 3) device data security

Asurion makes no representations about the quality, functionality or suitability of products or services that its Experts recommend. Asurion is not liable for any decision you make to purchase any products or services unrelated to the Plan. You should review each product or service carefully to ensure it meets your needs prior to purchase.

Visits may include some or all of the above services but will be limited in time to approximately one (1) hour in duration. If the Visit requires more time, an Expert may choose to extend the stay, but will not be obligated to do so. Experts will use commercially reasonable efforts during the Visits to perform the above services. If the Expert is unable to resolve your issue after making commercially reasonable efforts, they have the right and discretion to refuse to take further efforts to do so. Additionally, in some instances, the Expert may have limited information from vendors, manufacturers and developers, and they may not have the ability to obtain the proprietary or other information required to resolve your issue. Some technical issues that you encounter may be the result of software or hardware errors not yet resolved by the vendors, manufacturers or developers of that software or hardware, in which case the Expert may not be able to resolve your issue.

Visits will be scheduled by calling (844) 810-6444. If you need to reschedule the date of your Visit, you must give us at least 24-hours advanced notice. If you do not provide that notice, we reserve the right to cancel the visit and not reschedule.

Someone at least 18 years of age must be present at all times while the Expert is in your home and throughout the duration of the Visit.

You must make the products or devices intended for assessment/consultation in your home by the Expert accessible, and provide a safe, non-threatening environment for the Expert to conduct the Visit. Upon completion of the Visit, the Expert may provide you with contact information and a follow-up email with new product recommendations.

As part of the Visit, the Expert will not be responsible for dismantling or physical installation of any products or equipment. The Expert will also not be responsible for conducting any repairs or physical triage of a product or device that may involve specific tools or a unique work environment for your safety and the safety of the Expert.
