The monthly premium will be calculated by multiplying the Monthly Premium Rate per unit of Covered Property by the total number of such units.

If the Wireless Service Provider provides monthly billing and collection services for the Agent, all funds collected by the Wireless Service Provider are our property and shall be held in trust by the Wireless Service Provider for us.

We may examine and audit the Wireless Service Provider's books and records relating to such premium payments and reporting at any time during the policy period, and for up to three years after this period.

6. Transfer of Rights and Duties Under the Policy (Assignment)
