

VAGABOND

Virtual Tasting Packages

WHAT'S IT ABOUT

It's officially reached the stage where we'd rather do ANYTHING than an online quiz with friends, family or colleagues...

To mix it up, we've created range of virtual wine tasting experiences which are anything but the above! Pick from our range of out-there themes, get the tasting packs delivered to your door, and pick a time that works for your party for an online guided session with one of our experts. In true Vagabond style, we don't take ourselves too seriously, we love good wine and good times and these experiences reflect just that (oh and some awesome wine knowledge thrown in the mix too).

YOU GET

IN EACH OF OUR TASTING PACKS, YOU GET*:

- 6 x 100ml bottles of wine.
- Tasting cards.
- A guided online session with a member of our expert team at the date and time of your choice (approx 1.5 hours).

ADDITIONAL INFO:

- Each pack is perfect for 1-2 people.
- We charge a standard £8.50 delivery per kit anywhere in the UK.

TESTIMONIALS

'I've done a bunch of wine tastings and they can often be alienating and stuffy, Vagabond's was worlds apart from that - thoroughly enjoyed.'

- Litmus

'Felt very comfortable and just the right amount of talking/drinking/interaction.'

- Albion

'We really enjoyed the event and had lots of fun. And I think we managed to learn a bit in between the drinking too, which can only be a good thing...'

- Saint-Clement

'I thought it was pitched just right with a good selection of wines and the right level of technical stuff.'
