Key	
	Virtual Classroom training Note: trainings are 3 to 4 hours per day

For more information visit our [website](#). Ready to book a training? Cannot find a suitable date or content? Do you have special requests? Contact us at: Gridscale-X-MDM-Training.si@siemens.com. [Schedule as of 30 July April 2025]

Notes:

- MDM Certification will be using Gridscale X Meter Data Management 9.1
- Certification is 8 sessions on Tuesdays and Thursdays, with the first session on the Tuesday shown in the schedule above. There is an optional introductory “Session 0” on the Thursday before.
- Training dates might be subject to changes. Siemens may postpone classes with less than seven (7) registered students, no less than two weeks prior to the scheduled start of that class. Any enrolled students would be notified and optionally rescheduled if possible.
