## Realize LIVE

### The Digital Transformation Conference

Hosted by Siemens, Realize LIVE is designed for professionals in engineering, manufacturing, product lifecycle management, design, and IT/software administration.

It's where your digital transformation gets real. Fast.

### There are several session types to choose from

Technical ← → Strategic

 <b>Product demos</b> Showcase your methods for achieving optimal use of a specific Siemens technology.	 <b>Tips and tricks</b> Present practical advice, best practices, and technical insights on the Siemens portfolio.	 <b>Case studies</b> Focus on a challenge you encountered, how you addressed it, and the results you achieved.	 <b>Industry talks</b> Explore how you addressed a trend or challenge unique to your industry.	 <b>Thought leadership</b> Cross-industry discussions that offer insightful perspectives on topics such as sustainability, future of mobility, and AI.
