

This page serves as notice under 35 U.S.C. § 287(a) of Siemens' rights in the issued U.S. patents listed on this page and associated with the following products. The lists below may not be all-inclusive; there may be additional relevant patents or patent applications pending in the U.S. and elsewhere.

Other Siemens products not listed here may be protected by one or more patents or pending patent applications.

Gate Crossing Mechanisms
