Vicky Sargent

Senior Vice President, People and Organization

Follow on LinkedIn

Background

Vicky Sargent is senior vice president of people and organization for Siemens Digital Industries Software, a business unit of Siemens Digital Industries. With her extensive experience in human resources at both small and large organizations, Vicky stepped into this role at Siemens in August 2022. She strives to create valuable relationships within the organization and build a positive work-place experience for all.

Vicky is a valued leader because of her passion for Siemens and its people. She is well versed in all facets of HR, including program design, organization change, talent acquisition, compensation, performance management and employee relations.

Vicky is originally from London, but now resides in the San Francisco Bay Area in the United States. She earned a Bachelor of Arts in philosophy from Bristol University, a Master of Science in industrial/organizational psychology from Capella University and a Master of Arts in counseling from Santa Clara University.
