Suzanne Kopcha

Vice President, Strategy

Follow on LinkedIn

Background

Suzanne is the Vice President of Strategy for Siemens Digital Industries Software. She has over 30 years of experience in global strategy, business development and leading digital transformation and M&A initiatives. Suzanne spent over 25 years with Procter & Gamble before joining Siemens and has 2 US Patents.

Suzanne's passion is the development of next generation leaders; especially those that start from a point of disadvantage. Suzanne deeply believes that diversity of thought and perspective is critical to the advancement of innovation and high performing organizations. She is a leader in women's development at Siemens, and an advisor to several STEAM programs in Ohio. In addition, Suzanne serves on 2 non-profit boards focused on the development of youth and is an advisor to entrepreneurial companies in the greater Cincinnati area.

Suzanne holds a Bachelor of Science degree in Management Information Systems and Marketing from LeMoyne College and an MBA from Rensselaer Polytechnic Institute.

Suzanne resides in Cincinnati, Ohio with her husband and 2 children.
