

Monday		
	Alpsee	Ammersee 1
3:00 - 3:30 p.m.	Active integration - introducing the future of digital collaboration Siemens	Change management process in Teamcenter with CM2 approach TUSAS Engine Industries
3:45 - 4:15 p.m.	Teamcenter Active Workspace visualization and DMU of any BOM, any configuration, fast Siemens	Using Teamcenter Product Cost Management in a closed loop Palfinger AG
4:30 - 5:00 p.m.	Harmony in partnership: elevating your business through effective Supplier Collaboration with Teamcenter Siemens	
Tuesday		
	Alpsee	Ammersee 1
10:30 - 11:00 a.m.	Teamcenter Keynote: PLM of the Future Siemens	Teamcenter Keynote: PLM of the Future Siemens
11:15 - 11:45 a.m.	Supercharging sustainability while driving profitable growth Daimler Truck	Teamcenter Keynote: PLM of the Future Siemens
12:00 - 12:30 p.m.	Green efficiency: speeding up development and engineering Change Management in a renewable energy Enterprise ENERCON	Teamcenter Change Management overview with introduction of Merge and Revert advancement to fuel the process agility! Siemens
2:00 - 2:30 p.m.	MBSE Pilot implementation in Applied Materials Applied Materials	Extending the concept of reuse - Automated tech pubs in the digital thread Siemens
2:45 - 3:15 p.m.	What's new in Active Workspace's user interface to Teamcenter Siemens	Workflow optimization made easy CAD'N ORG GmbH
3:45 - 4:15 p.m.		Mastering Teamcenter on Microsoft Azure - real stories, real strategies! Intellign Engineering Services
4:30 - 5:00 p.m.		Integrated configuration of CTO+ETO systems Configuratori
Wednesday		
	Alpsee	Ammersee 1
10:30 - 11:00 a.m.	Teamcenter Q&A Siemens	Teamcenter Q&A Siemens
11:15 - 11:45 a.m.	Teamcenter X - a journey to Cloud success Siemens	Unleashing the power of complex configuration with Teamcenter: a customer success story from Siemens - motion control in Erlangen Siemens
12:00 - 12:30 p.m.	Teamcenter AI Siemens	Teamcenter Change Management overview with introduction of Merge and Revert advancement to fuel the process agility! Siemens
2:00 - 2:30 p.m.	Empower your frontline workforce with Augmented Reality Siemens Healthineers	Extending the concept of reuse - Automated tech pubs in the digital thread Siemens
2:45 - 3:15 p.m.	Siemens IBM - System and achitecture lifecycle management Siemens IBM	Workflow optimization made easy CAD'N ORG GmbH
3:45 - 4:15 p.m.	Realizing the transformational power of Siemens SAP	Mastering Teamcenter on Microsoft Intellign Engineering Services
4:30 - 5:00 p.m.	DevOps unleashed - streamlining Siemens Mobility	Integrated configuration of CTO+ETO Configuratori

Please note: Agenda may change up until event.
