

Comparable segment figures for changes in the organizational structure of Siemens for the fiscal year 2015 (preliminary)

Figures presented reflect

- (a) the transfer of the Geared Motors business segment from the Process Industries and Drives Division to the Digital Factory Division
- (b) the transfer of the E-Houses and Modules business segment from the Process Industries and Drives Division to the Power and Gas Division
- (c) the transfer of minor business activities from the Digital Factory Division to Corporate Items.

All changes became effective as of the beginning of fiscal 2016.
