[1] *The usage-based fees do not include the price for the base subscription and/or upgrades of the Offering (if any); such prices are set out in the Order. Usage-based fees are charged monthly.*

[2] *For Asset Attributes the authorized limits are set out in the Order. For Asset Attributes Pay-Per-Use the authorized limit is 0. For all other usage metrics mentioned herein, the authorized limits are set out in the relevant Product Sheet available on https://siemens.mindsphere.io/en/docs/Product-Descriptions-Overview.*

[3] *The excess analytics API calls are charged for in increments of 100. Example: If you make 301 API calls in excess of the authorized limits, then 4*0,40 € = 1,60 € are being charged. The same logic applies accordingly to any other usage metric packages mentioned herein.*
