

Building X – Fire Manager Data

On 11 January 2024, the EU Data Act, a central component of the European data strategy, entered into force.

The following information gives you an overview of the data of Building X-Fire Manager and how they are made available to you.

TYPE, FORMAT, AND ESTIMATED AMOUNT OF PRODUCT DATA THAT CAN BE GENERATED

Data type	Data format	Estimated size
Events export (live + history)	Exportable as .XLSX file	about 500KB for 10'000 Events
Configuration information	Exportable as .XLSX file	<200KB file for 1'000 devices
Soiling data	Exportable as .XLSX file	<200KB file for 1'000 devices
Peripheral test data (manual tests, DFT (if activated))	Exportable as .XLSX file	<200KB file for 1'000 devices
Device age and date of latest exchange	Exportable as .XLSX file	<200KB file for 1'000 devices
Danger levels information	Exportable as .XLSX file	<200KB file for 1'000 devices

Continuous and real-time data generation

Building X Fire Manager records and store data from connected Fire control panels continuously and in real time. Data updates depend on the use case, as specified in the related information documents for the respective Fire control panels (e.g. FS20/FS720). Comments, visual checks and test results can be entered by the user in the User Interface of Fire Manager or Fire Connect.

DATA STORAGE AND STORAGE PERIOD

Local data storage

Local Data Storage	Capacities	Storage/Retention Duration
Configuration information	3 last visited sites	Persistent (permanent)
Peripheral test data (manual tests, visual checks), comments	Currently open site	Until site is left
Soiling data, device age, date of last exchange	Currently open site	Until site is left

Remote data storage

Remote Data Storage	Capacities	Storage/Retention Duration
All data	Unlimited	Persistent (permanent)

ACCESS / RETRIEVAL, DELETION OF DATA, TERMS OF USE AND QUALITY OF SERVICE

Type of data	Access/retrieval via	Terms of Use	Quality of Service*
Events export (live + history)	Building X Fire Manager (Event history export)	Siemens Cloud Terms	No specific definition
All other data	Building X Fire Manager (Site report)	Siemens Cloud Terms	No specific definition

For detailed instructions, kindly consult the documentation of the Building X Fire Manager or contact your local Siemens representative.

INTELLECTUAL PROPERTY/ COPYRIGHT/ TRADE SECRET

Type of data	IP/ Copyright/ Trade Secret
