Third-Party Software Information for
NCC Conversion Tools V6.0 QU #1

This product, solution or service ("Product") contains third-party software components listed in this document. These components are Open Source Software licensed under a license approved by the Open Source Initiative (www.opensource.org) or similar licenses as determined by SIEMENS ("OSS") and/or commercial or freeware software components. With respect to the OSS components, the applicable OSS license conditions prevail over any other terms and conditions covering the Product. The OSS portions of this Product are provided royalty-free and can be used at no charge.

If SIEMENS has combined or linked certain components of the Product with/to OSS components licensed under the GNU LGPL version 2 or later as per the definition of the applicable license, and if use of the corresponding object file is not unrestricted ("LGPL Licensed Module", whereas the LGPL Licensed Module and the components that the LGPL Licensed Module is combined with or linked to is the "Combined Product"), the following additional rights apply, if the relevant LGPL license criteria are met: (i) you are entitled to modify the Combined Product for your own use, including but not limited to the right to modify the Combined Product to relink modified versions of the LGPL Licensed Module, and (ii) you may reverse-engineer the Combined Product, but only to debug your modifications. The modification right does not include the right to distribute such modifications and you shall maintain in confidence any information resulting from such reverse-engineering of a Combined Product.

Certain OSS licenses require SIEMENS to make source code available, for example, the GNU General Public License, the GNU Lesser General Public License and the Mozilla Public License. If such licenses are applicable and this Product is not shipped with the required source code, a copy of this source code can be obtained by anyone in receipt of this information during the period required by the applicable OSS licenses by contacting the following address:

Siemens AG

Otto-Hahn-Ring 6
81739 München

Germany

Keyword: Open Source Request

NCC Conversion Tools V6.0 QU #1

SIEMENS may charge a handling fee of up to 5 EUR to fulfill the request.

Warranty regarding further use of the Open Source Software:

SIEMENS' warranty obligations are set forth in your agreement with SIEMENS. SIEMENS does not provide any warranty or technical support for this Product or any OSS components contained in it if they are modified or used in any manner not specified by SIEMENS. The license conditions listed below may contain disclaimers that apply between you and the respective licensor. For the avoidance of doubt, SIEMENS does not make any warranty commitment on behalf of or binding upon any third party licensor.

1.1   Licenses

1.1.1   License Agreement

License Grant/Warranty for Software

This License describes limited rights granted by SafeNet, Inc. and/or one of its subsidiaries (such grantor, "Seller") to the Buyer.

A.   The term "Software", as used herein, shall mean a program or programs consisting of machine readable logical instruction and tables of information designed as libraries or drivers to work in conjunction with Seller's Sentinel Keys ("Products"). Title to all Software furnished to Buyer hereunder shall remain in Seller. Seller grants to Buyer a non-exclusive, non-transferable (except as otherwise provided herein) license to use the Software identified herein.

B.   License and Distribution Rights.

(i)   During the term of this Agreement, Seller grants to Buyer, and Buyer accepts from Seller, a non-exclusive, non-transferable, paid-up license to use the Software in conjunction with the Products that Buyer will have purchased from Seller. Buyer is licensed to

(a) modify the Software for the sole purpose of integrating the Software with Buyer's application and merge the Software with other programs, and
(b) copy the Software for Buyer's internal use and to distribute the Software to Buyer's customers provided that Buyer enters into an agreement with such customers to treat the Software as confidential and proprietary and to limit the use of the Software to Products sold to such customers by Buyer.

(ii)   No right or license shall be implied by estoppel or otherwise, other than the rights and license expressly granted in this Agreement. All ownership rights, title, and interest in the Software are and shall remain with Seller subject, however, only to the license specifically granted herein.

(iii)   Any and all trademarks and trade names which Seller uses in connection with the license granted hereunder are and shall remain the exclusive property of Seller. This Agreement gives Buyer no right therein except a limited license to reproduce trademarks and trade names as necessary for and for the sole purpose of allowing Buyer to use the Software in conjunction with the Products that Buyer will purchase from Seller.

(iv)   Buyer agrees that it will not copy, modify or reproduce the Software in any way except as provided for herein. Buyer agrees to notify Seller promptly of any circumstances of which Buyer has knowledge relating to any unauthorized use or copying of the Software by any person or entity not authorized to do so. Buyer agrees to take, at Buyer's expense, but at Seller's option and under Seller control and discretion, any legal action necessary to prevent or stop the unauthorized use of the Software by any third party or entity who or which has accessed the Software due in substantial part to Buyer's fault or negligence.

(v)   If Buyer fails to observe any of the foregoing conditions and limitations upon the use of the Software, Seller shall have the right to terminate this license, in addition to its other remedies under law and equity.

C.   Term

This License Agreement shall remain in full force so long as Buyer is distributing the Software with Seller's Products.

D.   Limited Warranty

(i)   Seller's exclusive warranty is that, for a period of thirty (30) days from delivery to Buyer, the media containing the Software shall be free of defects and the Software shall conform to Seller's published applicable specifications. If the media or any Software furnished hereunder is not in conformance with this warranty, Seller shall, at its expense, repair or modify, or at its option, replace such media or Software.

(ii)   The above warranties are contingent upon the proper use of the Products and Software in accordance with Seller's specifications and instructions and do not apply to Software (i) on which the original proprietary notices have been removed or altered, or (ii) to defects or failures due to (a) modifications made by any person other than Seller, (b) accident, neglect or misuse by Buyer or its customers, (c) failure or defects of electrical power or external electrical circuitry, or (d) the use therewith of items not provided or approved by Seller.

(iii)   THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARANTIES NOT EXPRESSLY SET FORTH HEREIN, AND SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHATIBILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE.

E.   EXPORT CONTROL
Since the Software is subject to the export control laws of the United States, you may not export or re-export the Software without the appropriate United States and foreign government licenses. You shall otherwise comply with all applicable export control laws and shall defend, indemnify and hold Seller, Seller's affiliates and all Seller's suppliers harmless from any claims arising out of your violation of such export control laws.

F.   LIMITATION OF LIABILITY

NEITHER SELLER NOR ITS AFFILIATES OR SUPPLIERS SHALL IN ANY EVENT BE LIABLE FOR ANY DAMAGES WHATSOEVER ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE THE SOFTWARE, INCLUDING BUT NOT LIMITED TO DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, AND DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS, EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER SUCH LIABILITY IS BASED ON CONTRACT, TORT, WARRANTY, OR ANY OTHER LEGAL OR EQUITABLE GROUNDS.

G.   ENTIRE AGREEMENT

This License Agreement constitutes the entire agreement between Seller and Buyer pertaining to its subject matter. This License Agreement is governed by the laws of the State of Delaware. Any litigation arising from this license will be pursued only in the state or federal courts located in the State of Maryland.
