## **Independent Auditor's Report**

### **To the Members of C&S Electric Limited**

#### **Report on the Audit of the Financial Statements**

##### **Opinion**

1. We have audited the accompanying financial statements of C&S Electric Limited ("the Company"), which comprise the Balance Sheet as at September 30, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at September 30, 2024, and total comprehensive income (comprising of profit and other comprehensive loss), changes in equity and its cash flows for the year then ended.

##### **Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Other Information**

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

##### **Responsibilities of management and those charged with governance for the financial statements**

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of

## INDEPENDENT AUDITOR'S REPORT

To the Members of C&S Electric Limited  
Report on Audit of the Financial Statements  
Page 2 of 4

the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## INDEPENDENT AUDITOR'S REPORT

To the Members of C&S Electric Limited

### Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
12. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on September 30, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on September 30, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 19 and 33 to the financial statements;
    - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 18 and 19 to the financial statements;
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended September 30, 2024.
    - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 50(vii)(A) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 50(vii)(B) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with

## INDEPENDENT AUDITOR'S REPORT

the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination, which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not notice any instance of audit trail feature being tampered with.
13. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## **Annexure A to Independent Auditor's Report**

Referred to in paragraph 12(f) of the Independent Auditor's Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 1 of 2

### **Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls with reference to financial statements of C&S Electric Limited ("the Company") as of September 30, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

## **Annexure A to Independent Auditor's Report**

Referred to in paragraph 12(f) of the Independent Auditor's Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 2 of 2

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at September 30, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

## Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of C&S Electric Limited on the financial statements as of and for the year ended September 30, 2024  
Page 1 of 6

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.  
  
(B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 2 to the financial statements, are held in the name of the Company, except for the following:

<b>Description of property</b>	<b>Gross carrying value (Rs in Million)</b>	<b>Held in the name of</b>	<b>Whether promoter, director or their relative or employee</b>	<b>Period held - indicate range, where appropriate</b>	<b>Reason for not being held in the name of the Company</b>
Industrial plot located at Plot A-7,8,9, Sector 8 Noida, Phase I, Gautam Buddh Nagar, Uttar Pradesh	5.68	Control & Switchgear Company Private Limited (erstwhile name of the Company)	No	Since 31 Jan 1983	Refer Note 1 below

Note 1 - The Company changed its name from Control & Switchgear Company Private Limited to Controls and Switch Gear Co Limited and thereafter to C&S Electric Limited on 03 December 2008. During the current year, the company has received the approval for name change subject to execution of legal deed which is currently pending.

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of

## Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 2 of 6

---

Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

- ii. (a) The physical verification of inventory excluding stocks with third parties has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, and the discrepancies noted in such quarterly return or statements with the unaudited books of account were not material. Also, refer Note 48 to the financial statements.
- iii. (a) The Company has granted unsecured loans to 92 employees. The company has not made any investments, granted any secured loans/advances in nature of loans or stood guarantee, or provided security to any companies/firm/limited liability partnerships/other parties during the year. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such unsecured employee loans are as per the table given below:

	<b>Loans (In Rs. Million)</b>
Aggregate amount granted/ provided during the year - Employees	5.92
Balance outstanding as at balance sheet date in respect of the above case - Employees	2.43

(Also, refer Note 15 to the financial statements)

- (b) In respect of the aforesaid loans, the terms and conditions under which such loans were granted are not prejudicial to the Company's interest.
- (c) In respect of the loans (which are interest free employee loans), the schedule of repayment of principal has been stipulated, and the parties are repaying the principal amounts, as stipulated, in a regular manner.
- (d) In respect of the loans, there is no amount which is overdue for more than ninety days.
- (e) There were no loans which have fallen due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans.

**Annexure B to Independent Auditors' Report**

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 3 of 6

---

- (f) The loans granted to employees during the year, had stipulated the schedule of repayment of principal and the same were not repayable on demand. There were no loans/advances in nature of loans which were granted during the year to promoters/related parties.
- iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance and professional tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including sales tax, income tax, service tax, duty of customs, duty of excise, value added tax, cess-goods and services tax and other material statutory dues, as applicable, with the appropriate authorities. Also, refer note 33 to the financial statements regarding management's assessment on certain matters relating to provident fund.
- (b) The particulars of statutory dues referred to in sub-clause (a) as at September 30, 2024 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount Net of payment (Rs in Mn)	Amount Paid under protest (Rs in Mn)	Period to which the amount relates - AY	Forum where the dispute is pending
Income tax Act, 1961	Income Tax	1.05	-	2002-03	Delhi High Court
Income tax Act, 1961	Income Tax	10.87	2.82	2011-15	Income Tax Appellate Tribunal
Income tax Act, 1961	Income Tax	771.38	4.85	2013-14 and 2015-22	Commissioner of Income Tax (Appeals)
Sales Tax Laws	Sales Tax	0.14	-	2005-06	VAT officer
Sales Tax Laws	Sales Tax	0.88	-	2006-07	Joint Commissioner (Appeals)
Sales Tax Laws	Sales Tax	1.88	-	2007-08	VAT Tribunal
Sales Tax Laws	Sales Tax	0.65	-	2008-09	Commissioner, DVAT
Sales Tax Laws	Sales Tax	23.18	0.25	2014-18	Deputy Commissioner
Goods and Services Tax, 2017	Goods and Services Tax	0.13	-	2017-18	Jt. Commissioner (Appeals)

**Annexure B to Independent Auditors' Report**

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 4 of 6

Name of the statute	Nature of dues	Amount Net of payment (Rs in Mn)	Amount Paid under protest (Rs in Mn)	Period to which the amount relates - AY	Forum where the dispute is pending
Goods and Services Tax, 2017	Goods and Services Tax	0.40	0.41	2018-19	Deputy Commissioner
Goods and Services Tax, 2017	Goods and Services Tax	1.12	0.05	2018-19	Assistant Commissioner of State Tax

- viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) As the Company did not have any loans or other borrowings from any lender during the year, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) and 3(ix)(f) of the Order is not applicable to the Company.
- x.(a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules,

## **Annexure B to Independent Auditors' Report**

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of C&S Electric Limited on the financial statements for the year ended September 30, 2024  
Page 5 of 6

---

- 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (xi)(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, the Company has received whistle-blower complaints during the year, which have been considered by us for any bearing on our audit and reporting under this clause. As explained by the management, there is one complaint in respect of which investigation is ongoing as on the date of our report and our consideration of the complaint having any bearing on our audit is based on the information furnished to us by the management.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv.(a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

---

- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. As at balance sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

#### Note 1 - General information and Material Accounting Policies

##### Note 1.1 - General information

C&S Electric Limited ('The Company') is a public limited company incorporated in India, having registered office at 210, 211, 212, Second Floor, Salcon Aurum, Plot No. 4, Jasola District Centre, New Delhi 110025 and having principal place of business in New Delhi, Noida, Haridwar and Assam.

The Company's operations and principal activities includes manufacturing and business of electrical switchgear, controlgears, contactors, miniature circuit breakers (MCBs), electrical and electronic panels, protection and measurement devices, bus ducts, bus trunkings and wiring products etc.

##### Note 1.2 - Material Accounting Policies

###### I. Statement of compliance

The financial statements have been prepared to comply in all material aspects with the Indian Accounting Standard (Ind AS) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended.

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act 2013 ("The Act") and other relevant provisions of the Act, as applicable. The financial statement were authorised for issue in accordance with a resolution of board of directors on 18th November 2024.

###### II. Historical cost convention

The financial statements have been prepared on the historical cost basis except for following items:

Items	Measurement Basis
Certain financial assets and liabilities	Fair Value
Net defined benefits (assets)/liability	Fair value of plan assets less present value of defined benefits obligations

###### III. Current Vs Non-Current classification

All assets and liabilities have been classified as current or non-current as per Company's operating cycle. Based on the nature of business and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Deferred tax assets and liabilities are classified as non current assets and liabilities.

###### IV. Rounding of amounts

The financial statements are presented in INR, which is functional currency and all values are rounded to the nearest million (INR 1,000,000) as per the requirement of Schedule III, except when otherwise indicated.

###### V. New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 31 March 2023 notified the Companies (Indian Accounting Standards) Amendment Rules, 2023, which amended certain accounting standards (see below), and are effective 1 April 2023:

- Disclosure of accounting policies amendments to Ind AS 1
- Definition of accounting estimates amendments to Ind AS 8
- Deferred tax related to assets and liabilities arising from a single transaction amendments to Ind AS 12

The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

These amendments did not have any material impact on the amounts recognised in prior and current period and are not expected to significantly affect the future periods. Further, amendment to Ind AS 1, although did not result in any changes in the accounting policy themselves, they impacted the accounting policy information disclosed in the financial statements.

###### VI. Revenue recognition

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is stated exclusive of goods and services tax and net of trade and quantity discount.

Sale of goods : - Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products to customer in an amount that reflect the consideration the Company expects to receive in exchange of this product. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, cash discounts and volume rebates.

Sale of services: Revenue from services includes supervision charges, Job work etc. which is recognised in accordance with the terms of the contract when the services are rendered and the related costs are incurred.

Income from erection / work contracts :- When the outcome of a erection / work contracts can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the end of the reporting period, measured based on the proportion of contract costs incurred for work performed to date relative to the estimated total contract costs, except where this would not be representative of the stage of completion. Variations in contract work, claims and incentive payments are included to the extent that the amount can be measured reliably and its receipt is considered probable.

When the outcome of a erection / work contracts cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred. When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Contract revenue earned in excess of billing has been reflected as "Contract assets" and billing in excess of contract revenue has been reflected under "Contract liabilities" in the balance sheet.

Export incentives receivable are accrued for, when the right to receive the credit is established and there is no significant uncertainty regarding the realisability of the incentives.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

**Refund liabilities** are the obligation to refund part or all of the consideration received (or receivable) from the customer. The liability is measured at the amount the Company ultimately expects it will have to return to the customer. The Company updates its estimate of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

Refund liabilities include:

- a. Dealer schemes which are based on the terms and conditions agreed with the customers.
- b. Liquidated damages which are provided based on contractual terms when the delivery / commissioning dates of an individual project have exceeded the delivery/ commissioning dates as per the respective contracts.

Revenue are stated exclusive of goods and services tax and net of consideration payable to customers including refund liabilities.

#### VII. Other income

Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

#### VIII. Property, Plant and Equipment

- i. Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. Cost is inclusive of inward freight, duties and incidental expenses related to acquisition or construction. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss. Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value over their useful lives.

#### ii. Capital work-in-progress

Projects under which property plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses.

#### IX. Depreciation

- i. The Company is following the straight line method of depreciation in respect of Property, plant & equipment.
- ii. Depreciation on all tangible assets is provided on the basis of estimated useful life and residual value determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset etc., as given below:

Estimated useful lives :-

Asset	Useful Life
Buildings	30-60 years
Plant and Equipment	3-15 years
Furniture and Fixtures	10 years
Vehicles	10 years
Office Equipments	5 years
Leasehold improvement	lease period or ten year whichever is earlier

- iii. If significant parts of property, plant and equipment have different useful lives, then they are accounted as separate items (major components) of property, plant and equipment.
- iv. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
- v. Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under "Other Non-Current Assets".
- vi. Intangible assets comprises of software ,technical know-how and commercial right. Intangible assets are stated at cost of acquisition less accumulated amortisation and impairment losses, if any. These intangible assets are amortised on a straight-line basis over a period of 3-5 years, which in management's estimate represents the period during which economic benefits will be derived from their use.

#### X. Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials, work-in-progress, finished goods and traded goods are carried at the lower of cost and net realisable value.

The bases of determining costs for various categories of inventories are as follows:-

- Raw material, Traded goods and components - Weighted average  
Work in progress and finished goods - Weighted material cost plus appropriate share of labour and other overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished goods. Raw materials and other supplies held for use in production of finished goods are not written down below cost, except in cases where material prices have declined, and it is estimated that the cost of the finished goods will exceed its net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis.

#### XI. Employee Benefits

##### (a) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and short-term compensated absences, etc.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

#### (b) Post-employment and other long-term benefits

(i) **Defined Contribution Plans:** The Company's provident fund, superannuation and employee state insurance scheme are defined contribution plans. The Company's contribution payable under the schemes is recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

(ii) **Defined Benefit Plans and other Long Term Benefits:** The Company's gratuity, medical benefit and retirement gift schemes are defined benefit plans. Compensated absences is other long term benefit. The present value of the obligation under such defined benefit plans and other long term benefits are determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

In case of defined benefit plans, remeasurement comprising of actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (wherever applicable) is recognised in other comprehensive income (OCI) and is reflected in retained earnings and is not eligible to be reclassified to profit or loss. In case of other long term benefits, all remeasurements including actuarial gain or loss are charged to Statement of Profit and Loss.

The Company recognises following items in the net defined benefit obligation as an expense in Statement of Profit and Loss:

- Service cost including current service cost, past service cost and gains and losses on curtailments and settlements; and
- Net interest expense or income.

Provision for compensated absences which is expected to be utilized within the next 12 months is treated as short-term employee benefits and beyond 12 months as long term employee benefits. For the purpose of presentation, the allocation between short and long term provisions has been made as determined by an actuary.

## XII. Income taxes

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss i.e. in other comprehensive income. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts at the reporting date. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss i.e. in other comprehensive income.

## XIII. Ind AS 116 "Leases"

The Company has adopted Ind AS 116 Leases effective 1 April 2019, using the modified retrospective method. The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is (or contains) a lease, at inception of a contract. A contract is (or contains), a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

#### Where the Company is the lessee:

At the date of commencement of the lease, the Company recognises a Right-of-Use asset ("ROU") and a corresponding Lease Liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The ROU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less Accumulated depreciation and impairment losses, if any. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The Lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and ROU asset have been separately presented in the Balance Sheet and Lease payments have been classified as financing cash flows.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

#### Note 1.3 - Other accounting policies

##### I. (i) Financial assets

The Company applies the expected credit loss (ECL) model for measurement and recognition of impairment losses on the following financial assets and credit risk exposure:

- (a) Financial assets that are measured at amortised cost e.g. deposits.
- (b) Trade receivables, contract assets or any another financial asset that result from transactions that are within the scope of Ind AS 115.

The Company follows the simplified approach for recognition of impairment loss allowance on trade receivables and contract assets. The application of the simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on trade receivables and Contract assets.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, twelve-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on twelve-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The twelve-month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months after the reporting date.

ECL is the difference between net of all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

##### (ii) Non - financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset or a group of assets (cash generating unit) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or cash generating unit.

The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost, had there not been impairment recognised.

##### II. Foreign Currency Transactions

Transactions in foreign currency are recorded on initial recognition at the exchange rate prevailing on the date of transaction.

Monetary items (i.e. receivables, payables, loans etc.) denominated in foreign currency are reported using the closing exchange rate on each balance sheet date.

The exchange differences arising on the settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded / reported in previous financial statements are recognised as income / expense in the period in which they arise.

Commodity risk is mitigated by entering into future contracts to hedge against fluctuation in commodity prices.

##### III. Financial Instruments

###### Initial recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of financial asset or financial liabilities, as appropriate, on initial recognition.

###### Subsequent measurement

###### Non derivative financial instruments

**(i) Financial assets carried at amortised cost** : A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**(ii) Financial assets carried at fair value through other comprehensive income (FVTOCI)**: A financial asset is subsequently measured at FVTOCI if it is held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

**(iii) Financial assets carried at fair value through profit or loss (FVTPL)**: A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss.

**(iv) Financial liabilities** : Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts are approximate to fair value due to the short maturity of these instruments.

###### Derecognition

###### i) Financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

#### ii) Financial liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

#### Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

#### IV. Cash and Cash equivalents

Cash and cash equivalents include cash, cheques in hand, cash at bank and deposits with banks having maturity of three months or less. Bank deposits with original maturity of up to three months are classified as 'Cash and cash equivalents' and with original maturity of more than three months are classified as 'Other bank balances'.

#### V. Share-based payments

Share-based payment consists of share awards of the Ultimate Holding Company to the employees of the Company, which subsequently makes a recharge to the Company. These awards are predominantly designed as equity-settled transactions as the ultimate obligation to settle the transaction is on the Ultimate Holding Company. The costs of stock awards granted to the employees of the Company are measured at the fair value of the stock awards granted of the Ultimate Holding Company. For each stock award, the measurement of fair value is performed on the grant date.

The cost is recognised in the statement of profit or loss, together with a corresponding increase in stock awards reserve in equity, over the period in which the service conditions are fulfilled. At the end of each reporting period upto the date of settlement, the Company remeasures the fair value of the liability based on the share price of the Ultimate Holding Company with a corresponding adjustment to equity.

#### VI. Contingent liabilities and provisions

Provisions are recognised when the Company recognises it has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect is material, provisions are recognised at present value by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. When a contract becomes onerous, the present obligation under the contract is recognised as a provision. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

Disclosures for contingent liability are made when there is a possible and present obligation that arises from past events which is not recognised since it is not probable that there will be an outflow of resources. When there is a possible and present obligation in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

Loss contingencies arising from claims, litigation, assessment, fines, penalties, etc. are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

Provisions for warranty related cost are recognised when the product is sold or service is provided to the customer. Initial recognition is based on past experience.

Contingent assets are not recognised in the financial statements.

#### VII. Research and development

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Property plant and equipment utilised for research and development are capitalised and depreciated in accordance with the policies stated for the same.

#### VIII. Earnings per share

Basic earnings / (loss) per share is calculated by dividing the net profit / (loss) for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average share considered for calculating basic earnings / (loss) per share, and also the weighted average number of shares, which would have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate.

#### IX. Borrowing cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

#### X. Intangible assets :

Intangible assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially:

- a. for assets acquired in a business combination, at fair value on the date of acquisition.
- b. for separately acquired assets, at cost comprising the purchase price (including import duties and non refundable taxes) and directly attributable costs to prepare the asset for its intended use. Internally generated assets for which the cost is clearly identifiable are capitalised at cost. Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established. Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets. Internally generated brands and websites are not recognised as intangible assets.

## C&S Electric Limited

### Notes forming part of the financial statements

(All amounts are in INR million except wherever stated otherwise)

The useful life of an intangible asset is considered finite where the rights to such assets are limited to a specified period of time by contract or law (e.g. patents, licenses and trademarks) or the likelihood of technical, technological obsolescence (e.g. computer software, design, prototypes) or commercial obsolescence (e.g. lesser known brands are those to which adequate marketing support may not be provided). If, there are no such limitations, the useful life is taken to be indefinite. Intangible assets that have finite lives are amortized over their estimated useful lives by the straight line method unless it is practical to reliably determine the pattern of benefits arising from the asset. An intangible asset with an indefinite useful life is not amortized. All intangible assets are tested for impairment. Amortization expenses and impairment losses and reversal of impairment losses are taken to the Statement of Profit and Loss. Thus, after initial recognition, an intangible asset is carried at its cost less accumulated amortization and / or impairment losses. The useful lives of intangible assets are reviewed annually to determine if a reset of such useful life is required for assets with finite lives and to confirm that business circumstances continue to support an indefinite useful life assessment for assets so classified. Based on such review, the useful life may change or the useful life assessment may change from indefinite to finite. The impact of such changes is accounted for as a change in accounting estimate.

#### ii. Intangible assets under development

Expenditure on intangible assets eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

#### XI. Government grants and subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that

- (i) the company will comply with the conditions attached to them, and
- (ii) the grant/subsidy will be received.

When the grants or subsidies relate to revenue, they are recognised as income on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs for which they are intended to compensate. Where the grants or subsidies relate to an asset, the same are presented in the balance sheet by deducting the grant in arriving at the carrying amount of the asset.

#### XII. Critical estimates and judgement

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively. The key assumptions concerning the future, and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are as follows:

(i) Useful lives and residual value of property, plant and equipment, intangible assets : Useful life and residual value are determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc. and same is reviewed at each financial year end / period end.

(ii) Provisions : Significant estimates are involved in the determination of provisions related to liquidated damages on the basis of the expected delay for delivering a project, onerous contracts when current estimates of total contract costs exceed expected contract revenue, warranty costs on the basis of the actual expenses incurred during the past years, asset retirement obligations on the basis of the estimated cost that will be incurred at the end the lease term, legal and regulatory proceedings (Legal Proceedings) on the basis of the best estimate required to settle the present obligation at the end of reporting period.

(iii) Employee Benefits: The company's obligation for employee benefits is determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Refer note 38 for details of the key assumptions used in determining the accounting of these plans. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the Actuary considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

(iv) Revenue Recognition : Provision for Sales Returns and Discounts are estimated based on past experience, market conditions and announced schemes.

(v) Impairment of financial assets : The Company assesses impairment on financial assets based on Expected Credit Loss (ECL) model. The provision matrix is based on its historically observed default rates over the expected life of the financial assets and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in forward looking estimates are analysed.

#### XIII. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date.

**C&S Electric Limited****Notes forming part of the financial statements***(All amounts are in INR million except wherever stated otherwise)***Note 33 - Contingent liabilities and commitments**

Particulars	As at September 30, 2024	As at September 30, 2023
(a) Contingent Liabilities		
Claims against the Company not acknowledged as debts		
Income tax matters	771.97	671.17
Sales tax matters	3.55	3.55
Goods and service tax matters	2.11	1.70
Others matters	14.05	17.48
	<b>791.68</b>	<b>693.90</b>
(b) Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for (net of capital advances)	205.55	76.31
<b>Total</b>	<b>997.23</b>	<b>770.21</b>

(i) In respect of above contingent liabilities, the future cash outflows, if any, will be determinable only on receipt of judgements pending at various forums/ authorities. The Company has assessed that it is only possible, but not probable, that outflow of economic resources will be required. The company does not expect any reimbursement in respect of the above.

(ii) The Supreme Court on 28 February 2019 has provided its judgment regarding inclusion of other allowances such as travel allowances, special allowances, etc. within the expression 'basic wages' for the purpose computation of contribution of provident fund under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952 ('EPF Act'). There are interpretive challenges on the application of the Supreme Court Judgment including the period from which judgment would apply and consequential implications on resigned employees etc. Further, various stakeholders have also filed representations/ review petition with PF authorities and the Supreme Court respectively. All these factors raises significant uncertainty in respect of this matter. Owing to the aforesaid uncertainty and pending clarification from regulatory authorities in this regard, the Company had recognized provision for the Provident fund contribution on the basis of above mentioned order with effect from the order date. Further, the management believes that impact of aforementioned interest or penalty on the financial statements of the Company should not be material.

**Note 34 (a) - Provision for loss order**

A provision for expected loss on contracts is recognised when it is probable that the contract costs will exceed total contract revenue.

The movement of provision in accordance with Ind-AS 37 on "Provisions, Contingent Liabilities and Contingent Assets" is given below :-

Particulars	As at September 30, 2024	As at September 30, 2023
Opening balance	4.93	24.09
Provision created during the year	5.28	0.54
Utilised/reversed during the year	(8.18)	(19.70)
Closing balance	<b>2.03</b>	<b>4.93</b>

**Note 34 (b) - Provision for Contingency and claims**

This includes provision for contingency and customer claims. The Company has made provision for certain litigation cases involving ex-employees, contractual labour, claims from customer etc, the outflow of which would depend on cessation of the respective events and determined an amount of Rs. 138.95 (Previous Year Rs. 70.64) as a probable outflow in future in respect of such cases.

The Company with the help of an external consultant has also performed an assessment of the compliance of the buildings constructed with the approved drawings plan/ Building Completion Certificate and observed that there were inconsistencies which require rectification to the buildings. Based on the assessment, the management had created provision of Rs. 249.70 in earlier years. As on 30th September 2024 this provision amount stands at Rs. 225.19 (Previous Year Rs. 241.35). Further, penalty if any is not ascertainable and likelihood of the same is low.

The movement of Provision for Contingency, claims and litigation is given below :-

Particulars	As at September 30, 2024	As at September 30, 2023
Opening balance	311.99	273.05
Provision created during the year	68.31	41.68
Utilised during the year	(16.16)	(2.74)
Closing balance	<b>364.14</b>	<b>311.99</b>

**C&S Electric Limited****Notes forming part of the financial statements***(All amounts are in INR million except wherever stated otherwise)***Note 34 (c) - Provision for warranty**

Warranty costs are provided based on a technical estimate of the costs required to be incurred for repairs, replacement, material cost, servicing and past experience in respect of warranty costs. It is expected that this expenditure will be incurred over the contractual warranty period which ranges between 12 to 18 months.

The movement of provision in accordance with Ind-AS 37 on "Provisions, Contingent Liabilities and Contingent Assets" is given below :-

Particulars	As at September 30, 2024	As at September 30, 2023
Opening balance	33.09	25.26
Provision created during the year	167.20	19.47
Utilised during the year	(36.64)	(11.64)
Closing balance	<b>163.65</b>	<b>33.09</b>

**Note 34 (d) - Provision for restoration**

The provision for restoration is created for the purpose of restoring the leased properties to its original status at the time of the expiry of the lease.

The movement of provision for restoration is given below:

Particulars	As at September 30, 2024	As at September 30, 2023
Opening balance	6.95	6.57
Finance cost accrued during the year	0.42	0.38
Utilised during the year	-	-
Closing balance	<b>7.37</b>	<b>6.95</b>

**Note 34 (e) - Provision for reconstitution and Stamp Duty**

The provision for reconstitution and stamp duty is created for the purpose of transferring property in the name of company which were registered in the name of erstwhile promoters.

The movement of provision for reconstitution and Stamp Duty is given below:

Particulars	As at September 30, 2024	As at September 30, 2023
Opening balance	81.66	73.46
Provision created during the year	3.38	60.19
Utilised during the year	(8.17)	(51.99)
Closing balance	<b>76.87</b>	<b>81.66</b>

The Company has disclosed financial instruments such as cash and cash equivalents, other bank balances, trade receivables, trade payables, short term borrowings and unpaid dividends at carrying value because their carrying amounts are a reasonable approximation of the fair values due to their short-term nature.

**The following methods / assumptions were used to estimate the fair values:**

(a) Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short-term maturities of these instruments.

(b) Fair valuation of non-current financial assets and liabilities has been disclosed to be same as carrying value as there is no significant difference between carrying value and fair value.

(c) Fair value measurement of lease liabilities is not required.

The fair value is determined by using the valuation model/technique with observable/ non-observable inputs and assumptions.

The following table presents fair value measurement hierarchy of financial instrument measured as referred above:

**Quantitative disclosures fair value measurement hierarchy as at 30 September 2024:**

Particulars	Level 1	Level 2	Level 3	Total
<b>Asset at Fair Value</b>				
i) Fair values through profit and loss				
(a) MTM receivable on Foreign exchange forward contracts	0.64	-	-	0.64
(b) MTM receivable on-Commodity future	-	-	-	-
<b>Liabilities at Fair Value</b>				
i) Fair values through profit and loss

**Fair value gain/(loss) for the year ended:**

Particulars	For the year ended September 30, 2024	For the year ended September 30, 2023
<b>Gain on fair valuation</b>		
Net gain for currency hedging	-	1.72
MTM gain on hedging contracts (Net)	29.19	-
<b>Loss on fair valuation</b>		
Net loss for currency hedging	(3.23)	-
MTM loss on hedging contracts (Net)	-	(10.78)
<b>Total fair value gain/(loss)</b>	<b>25.96</b>	<b>(9.06)</b>

There are no transfers between Level 1, Level 2 and Level 3 during the year ended September 30, 2024 and September 30, 2023.

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**C&S Electric Limited**

**Notes forming part of the financial statements**

(All amounts are in INR million except wherever stated otherwise)

**Note 37 - Capital Management**

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value. The Company monitors capital on the basis of debt equity ratio.

The Company's net debt to equity ratio was as follows:

Particulars	As at September 30, 2024	As at September 30, 2023
Total debt	-	-
Less: cash and cash equivalents and other bank balances	2,345.99	1,485.33
<b>Net debt</b>	<b>(2,345.99)</b>	<b>(1,485.33)</b>
<b>Total Equity</b>	<b>6,498.29</b>	<b>5,444.91</b>
<b>Net debt to equity ratio</b>	<b>(0.36)</b>	<b>(0.27)</b>

**Note 38 - Commodity Contracts**

The Company uses Commodity Future Contracts to hedge against fluctuation in commodity prices. The following are outstanding future contracts entered into by the Company as at the year end.

Commodity	As at September 30, 2024			
	No. of lots	Contractual Quantity	Buy/Sell	Amount
Copper	176	4,40,000 Kg	Buy	374.59
Aluminium	383	19,15,000 Kg	Buy	455.00

Commodity	As at September 30, 2023			
	No. of lots	Contractual Quantity	Buy/Sell	Amount
Copper	134	3,35,000 Kg	Buy	242.02
Aluminium	327	16,35,000 Kg	Buy	346.54

Note:

As of 30 September 2024: Each contract of Copper is of 2,500 Kg and Aluminum 5000 Kg.

As of 30 September 2023: Each contract of Copper is of 2,500 Kg and Aluminum 5000 Kg.

**Note 39 - Financial Risk Management**

**Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies. The Board regularly reviews the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company has exposure to the following risks arising from financial instruments

Credit risk;  
Liquidity risk; and  
Market risk.

**(a) Credit risk management**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables from customers, cash and cash equivalents, other bank balances, loans and security deposits. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

Particulars	As at September 30, 2024	As at September 30, 2023
Trade receivables	4,028.98	2,992.28
Loans	2.43	3.83
Cash and Cash Equivalents	2,344.70	1,484.78
Bank balances other than cash and cash equivalents	1.29	0.55
Others	120.02	131.66
	<b>6,497.42</b>	<b>4,613.10</b>

**Trade Receivables**

The major exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk on trade receivables is influenced by individual characteristics of each customer. The Company performs credit evaluation and defines credit limits for each customer. The Company also continuously reviews and monitors the same.

In respect of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime expected credit loss (ECL) is measured and recognised as loss allowance. During the previous period, the ECL was calculated considering default probability percentages arrived from the historic default trend specific to a customer. During the current year, the Company has computed ECL allowance based on a provision matrix and this change did not have a material impact on the profit for the year ended 30 September 2024. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in the forward-looking estimates are analysed. In addition the Company also does specific assessment for recovery of trade receivables.

The Company follows provisioning norms based on the roll rate method to estimate the impairment allowance under ECL. As the risk profiles of the receivables is diverse, the Company further categorises receivables due from Government and non Government parties for deriving the rates for provision matrix.

The provision matrix at the end of the reporting period is as follows:

Particulars	0-180 days	181-360 days	361-540 days	541-720 days	> 720 days	Total
ECL Amount	49.14	8.45	0.41	14.08	159.89	231.97
Historical loss rate for ECL	1.14% -1.47%	16.29% -39.22%	47.03% -64.26%	100.00%	100.00%	

Specific Provision for trade receivables

**Total**

118.51

350.48

**C&S Electric Limited****Notes forming part of the financial statements***(All amounts are in INR million except wherever stated otherwise)*

The movement in the provision for doubtful debts is as under:

Particulars	As at September 30, 2024	As at September 30, 2023
<b>Opening Balance</b>	593.97	644.71
Provision made during the period (refer note 31)	(89.79)	177.62
Written off during the period (refer note 31)	(153.70)	(228.36)
<b>Closing Balance</b>	<b>350.48</b>	<b>593.97</b>

**Other Financial Assets**

Credit risk on cash and bank balances is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

The Company has furnished security deposits to its lessors for obtaining premises on lease. Further, the Company has recognised government grant recoverable in respect of export incentives. The Company does not expect any default from these parties and accordingly the risk of default is negligible or Nil.

**(b) Liquidity risk management**

(i) The Company manages liquidity by ensuring control on its working capital which involves adjusting production levels and purchases to market demand and daily sales of production and low receivables. It also ensures adequate credit facilities sanctioned from bank to finance the peak estimated funds requirements. The working capital credit facilities are continuing facilities which are reviewed and renewed every year.

The Company also ensures that the long term funds requirements are met through adequate availability of long term capital (Debt and Equity).

Particulars	As at September 30, 2024	As at September 30, 2023
Total committed working capital limits from Banks*	250.00	155.00
Utilized working capital limit	-	-
Unutilized working capital limit	250.00	155.00

\* Working Capital means Fund based.

**(ii) Maturities of financial liabilities**

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities. The amount disclosed in the table are the contractual undiscounted cash flow.

Exposure to liquidity risk

Particulars	Up to 1 year	Between 1 year to 5 years	Over 5 years	Total	Carrying amount
<b>As at September 30, 2024</b>					
Non-derivatives					
Lease liabilities	100.05	103.08	70.68	273.81	193.94
Trade payable	2,272.58	48.86	-	2,321.44	2,321.44
Other financial liabilities	696.36	20.07	47.56	763.99	763.99
<b>Total non-derivatives liabilities</b>	<b>3,068.99</b>	<b>172.01</b>	<b>118.24</b>	<b>3,359.24</b>	<b>3,279.37</b>
<b>As at September 30, 2023</b>					
Non-derivatives					
Lease liabilities	69.73	114.37	70.00	254.10	186.62
Trade payable	1,715.89	45.12	-	1,761.01	1,761.01
Other financial liabilities	485.08	6.19	44.70	535.97	535.97
<b>Total non-derivatives liabilities</b>	<b>2,270.70</b>	<b>165.68</b>	<b>114.70</b>	<b>2,551.08</b>	<b>2,483.60</b>

There were no breaches of the covenants associated with the borrowings as at September 30, 2024 and none of the borrowings were called during the year.

**(c) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk, interest rate risk. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the return.

**(ii) Security**

For some trade receivables the company may obtain security in the form of guarantees, letters of credit which can be called upon in default if the counter party under the terms of the agreement.

**(iii) Impairment of financial assets**

The company has following of financial assets that are subject to the expected credit loss model.

- trade receivables for sales of inventory

**C&S Electric Limited****Notes forming part of the financial statements***(All amounts are in INR million except wherever stated otherwise)***a. Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes on foreign exchange rate. The Company transacts in several currencies and has foreign currency trade receivables and trade payables. Hence, the Company is exposed to foreign exchange risk.

The currency exposure on the Company's financial assets and financial liabilities denominated in different currencies are as follows:

**Financial assets**

Currency	Foreign Currency		Indian Rupees	
	As at September 30, 2024	As at September 30, 2023	As at September 30, 2024	As at September 30, 2023
United States Dollar (USD)	7.60	5.42	636.73	449.92
Euro (EUR)	2.11	1.61	197.49	141.94
Great Britain Pound (GBP)	0.08	0.31	8.72	31.68
Australian Dollar (AUD)	-	0.01	-	0.45
<b>Total</b>	<b>9.79</b>	<b>7.35</b>	<b>842.94</b>	<b>623.99</b>

**Financial liabilities**

Currency	Foreign Currency		Indian Rupees	
	As at September 30, 2024	As at September 30, 2023	As at September 30, 2024	As at September 30, 2023
United States Dollar (USD)	0.87	1.06	73.00	88.22
Euro (EUR)	0.13	0.32	12.06	28.01
Great Britain Pound (GBP)	0.03	0.06	3.12	6.57
Swiss Franc (CHF)	0.00	0.00	0.02	0.02
<b>Total</b>	<b>1.03</b>	<b>1.44</b>	<b>88.20</b>	<b>122.82</b>

The following table demonstrate the sensitivity to a reasonably possible change in major currencies like US Dollar, Euro and GBP with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including foreign currency derivatives. The Company's exposure to foreign currency changes for all other currencies is not material.

Particulars	USD sensitivity		Euro sensitivity		GBP sensitivity	
	As at September 30, 2024	As at September 30, 2023	As at September 30, 2024	As at September 30, 2023	As at September 30, 2024	As at September 30, 2023
Impact on profit or loss for the year	28.19	18.09	9.27	5.70	0.28	1.26

Impact on total equity	(21.09)	(13.53)	(6.94)	(4.26)	(0.21)	(0.94)

**b. Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates till last year relates primarily to the Company's borrowings with floating interest rates but in current year the borrowing with floating interest rates were repaid and as on September 30, 2024, the Company has no borrowings.

**Note 40- Employee benefits plans**

**(a) Defined benefits plans**

**I. Gratuity Plan**

Gratuity is payable to all eligible employees of the Company on superannuation, death and permanent disablement, in terms of the provisions of the Payment of Gratuity Act, 1972 or as per the Company's Scheme whichever is more beneficial. Under the act, employee who has completed five years of service is entitled to the benefit. The level of benefits provided depends on the members length of service and salary at retirement age. The Gratuity plan is a funded plan & the Company makes contributions to recognised funds in India.

**II. Medical**

This benefit plan is applicable only to certain top management employees wherein Post retirement medical benefit is paid to the retired employees and their spouse till their survival and after their death, benefits are available to the employee's spouse. It consists of 3 components, which is health insurance, Domiciliary medical allowance and Group support in case the expenses incurred are more than the health insurance coverage subject to the ceiling limit as per the grades.

**III. Retirement Gift**

This benefit plan is applicable exclusively for permanent employees, entitling them to benefits upon retirement from company service. As a token of appreciation, employees will be given a one-time monetary retirement gift in the full and final settlement as per the company policy.

The defined benefits plan exposes the company to the following risks:

**Interest rate risk:**

The defined benefits obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefits obligation will tend to increase.

**Salary inflation risk:**

Higher than expected increase in salary will increase the defined benefit obligation.

**Demographic risk:**

This is the risk of variability of result due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combinations of salary increase, discount rate and vesting criteria.

The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefits obligations. The Company has not changed the processes used to manage its risks from previous years. The funds are managed by specialised team of Life Insurance Corporation of India & HDFC Life.

**C&S Electric Limited**

**Notes forming part of the financial statements**

(All amounts are in INR million except wherever stated otherwise)

**Note 46 - Share-based payment transactions**

Share matching plan (SMP) and Siemens Stock Awards (SSA) are classified as equity-settled transactions. The employees of the Company are eligible for the Ultimate Holding Company's share awards, i.e. SMP and SSA. Under SMP the employee may invest a specified part of their compensation in the Ultimate Holding Company's shares and at the end of 3 years (vesting period) employee receives one free share for every three shares purchased.

Under SSA, the Company grants stock awards of the Ultimate Holding Company's shares to the Senior management and other eligible employees. SSA includes two schemes that have a vesting period upto 4 years. Under Special Allocation Stock Awards, the shares are awarded to reward the performance of the employee. Under Performance Oriented Siemens Stock Awards (PoSSA), these awards vest on the achievement of the performance criteria of Ultimate Holding Company.

Stock awards entitle the employees to Ultimate Holding Company's shares without payment of consideration at the end of the respective vesting period. Fair value is measured at grant date and is recognised as an expense over the vesting period. Fair value is determined taking into consideration the price of the underlying shares of the Ultimate Holding Company, dividends during the vesting period, market and non-vesting conditions, as applicable. At the end of each reporting period, the Company remeasures the fair value of the liability (payable to the Ultimate Holding Company) at the market price of the Ultimate Holding Company's share, with a corresponding adjustment to equity.

**Details of liabilities arising from the share-based payment transactions are as follows:**

Particulars	As at September 30, 2024	As at September 30, 2023
Other current financial liabilities	10.93	0.01
Other non-current financial liabilities	20.07	6.19
<b>Total carrying amount of the liabilities</b>	<b>31.00</b>	<b>6.20</b>

Effect of Share-based payment transaction on the profit & loss, shown under the head Employee benefit expense is Rs. 8.13 (previous year Rs. 4.88)

The details pertaining to number of stock awards and share matching plans, weighted average grant date fair value and expiry schedule are disclosed below:

**Note 47 - Transfer Pricing**

The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing regulation under sections 92-92F of the Income tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company continuously updates its documentation for the international and domestic transactions entered into with the associated enterprises during the financial year. The management is of the opinion that its international and specified domestic transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation, if any.

**Note 48 -**

Working capital demand loan are secured by:-

- first pari passu charge on whole of the current assets of the Company (both present and future);
- pari passu charge on movable property, plant and equipment of the Company (both present and future);
- first pari passu charge on the following immovable properties of the Company:-

- land and building situated at C-59, Noida, Phase II;

Repayment term :- On demand. The facilities which are sanctioned are for a period of 12 months.

The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed statements with such banks, and the discrepancies noted in the statement filed as at the quarter-ends during the year with the unaudited books of account were not material.

**Note 49 - Dues to micro and small enterprises**

On the basis of confirmation obtained from suppliers who have registered themselves under the Micro Small Medium Enterprise Development Act, 2006 (MSMED Act, 2006) and based on the information available with the Company, the balance due to Micro and Small Enterprises as defined under the MSMED Act, 2006 and interest due thereon is as under. Further, no interest during the period has been paid under the terms of the MSMED Act, 2006.

Particulars	As at September 30, 2024	As at September 30, 2023
