

6% Cashback when using ila MasterCard credit cards for your international purchases!

Campaign details:

Campaign period: The campaign starts from 01/07/2026 and ends on 30/09/2026.

Terms & Conditions:

- This campaign is exclusively valid for holders of “ila” Mastercard credit cards.
- “ila” customers will receive 6% cashback when using “ila” Mastercard credit cards, within the approved monthly cashback cap for each card type (including transactions made using the primary card and its supplementary cards).
- Cashback applies only to international transactions conducted either online or in-store using POS (Point of Sale) terminals.
- The cashback amount will be credited to the customer’s primary card and will appear on the credit card statement at the usual statement issuance date.
- “ila” Mastercard credit card must be active at the time the cashback is credited.
- Cashback is calculated on successfully posted transactions credited to ila MasterCard Credit Card account only.
- The following transactions are excluded from cashback calculation: cash withdrawals (ATM or from App) and transactions involving government services (whether made directly or through eFawateercom), brokerage transactions, e-wallets, exchange houses, financial services, and charitable organizations.
- The campaign is subject to the bank’s general terms and conditions. The bank reserves the right to amend or extend the campaign, with customers being notified of any changes through the standard communication channels
