Change in Anora Group's Executive Management Team: The Head of Anora's Wine segment to change

Janne Halttunen, Senior Vice President, Wine, and member of Anora Group's Executive Management Team steps down from his position. Anora has appointed Anna Möller as his successor effective no later than 12 May 2026. Janne Halttunen has been with Anora and its predecessor (Altia Oyj) since 2009 in various roles, and a member of the Executive Management Team since 2015. He has played a key role in building Anora's wine business since the merger. To ensure a smooth transition, Samu Suonpää, Vice President, Operations Wine, will assume responsibility of the Wine segment operations on an interim basis until Anna Möller joins the company.

Anna Möller joins Anora from Viva Wine Group, where she has been a member of the management team and the Chief Operation Officer responsible for the Nordic markets since 2022. She is now returning to Anora, where she most recently served as the Commercial Director Spirits Scandinavia in 2021-2022, and before that held several marketing and managerial positions in Anora's predecessor, Altia Oyj, since 2011. The CV and photo of Anna Möller are attached to this stock exchange release.

"On behalf of the Management Team and all our colleagues, I want to thank Janne for his valuable contributions to the development of Anora's wine business. Janne has been a highly respected colleague, and we wish him all the best in his future endeavours. Looking ahead, I am very pleased to welcome Anna back to Anora to lead in our Wine segment and join our Executive Management Team. Her strong and versatile background in commercial and marketing leadership roles in the beverage industry will be instrumental to our success in the years to come," says Kirsi Puntila, CEO of Anora.

"I'm very excited to return to Anora and drive the execution of the company's updated strategy, which I genuinely believe is both realistic and thoughtfully designed. Anora has a great team in the Wine business, and I'm very much looking forward to joining them in my new role," says Anna Möller.
