Who we are

IOB

IOB is a professional community of over 32,900 members who work in banking and the international financial services sector. Professional development of our members through education is at the heart of what we do. IOB provides university level programmes to enable our members achieve and sustain their professional qualifications and Continuing Professional Development (CPD) – essential in meeting customer and regulatory expectations.

Excellence in education – a recognised college of UCD

As a recognised college of UCD and the standout banking industry educator, we offer qualifications of the highest standard. We currently offer more than 40 programmes ranging from Professional Certificates (level 7) on the National Framework of Qualifications (NFQ) to Masters Degrees (level 9). We design our programmes to be practical and relevant, but grounded in academic rigour.

Compliance Institute

Compliance Institute was established in 2002 to provide opportunities for compliance professionals to develop their network, qualifications, and their skills.

With just over 3,000 members, the Compliance Institute is the premier provider of education and professional development in compliance, providing a balanced and authoritative voice on matters relating to regulatory compliance and business ethics in industry in Ireland. It is the largest global association of compliance professionals and offers the largest suite of compliance programmes anywhere in the world.

The Compliance Institute's focus is on bringing the compliance community together and facilitating an effective network which helps our members build a contact base that can support them in their role and career. Our evolving professional development training and accredited graduate and post graduate education in the various fields of compliance and business ethics delivered by our educational partners have set the standard for compliance in Ireland.

Being part of the Compliance Institute means that our members are part of a diverse global network of compliance professionals. Compliance Institute is connected with international associations, providing members with the opportunity to connect with professionals from all around the world.

Introduction

The Professional Certificate in Consumer Protection Risk, Culture and Ethical Behaviour in Financial Services, is a single-module level 7 qualification. It is the industry benchmark Culture qualification for people working in the financial services industry across all roles and functions up to senior manager level.

The programme aims to develop participants' knowledge of conduct risk, Consumer Protection Risk Assessment (CPRA), ethics and behaviours in the context of the development of an effective consumer focused culture.

The programme has been designed in consultation with leading industry experts in the areas of conduct risk, CPRA, ethics and behaviours, and with compliance professionals working to international regulatory best practices in financial services.

The programme is designed with an emphasis on Consumer Protection Risk Assessment, with particular focus on the areas of product design, sales process, post-sales handling and good customer outcomes. The other key topic areas include consumer focused behaviour, ethics and values, including an ethical framework which staff can apply to everyday scenarios and expected behaviours.

The programme is relevant to:

- New entrants up to senior managers
- Accredited Product Advisers (APA)
- Qualified Financial Advisers (QFA)
- Holders of the Professional Certificate or Diploma in Compliance
- Banking compliance and risk professionals
- Financial institutions' frontline staff including retail, business centre and corporate banking staff
- Financial institutions' central functions, risk and compliance professionals including, inter alia:
 - Compliance
 - Operational risk
 - Internal audit
 - Credit review
 - Legal
 - Finance
 - Information Technology
 - Change management.
- Regulatory bodies e.g. The Central Bank of Ireland
- Non-financial institutions including:
 - Auditors
 - Accountants
 - Lawyers
 - Stockbrokers
 - Business consultants and other professionals who provide risk management advisory services.

How you will benefit

On completion of the programme, graduates will be able to:

- Understand the regulatory expectations of the Central Bank of Ireland's guide to Consumer Protection Risk Assessment (CPRA)
- Explain the CPRA impacts on customers, employees, Financial institutions and on markets
- Demonstrate a deep practical understanding of CPRA product lifecycle with emphasis on product development, sales/transaction prices and post-sales handling modules.
- Explain why culture is important and what effective consumer focused culture looks like
- Explain ethics in financial services, its relevance and importance
- Understand the importance of customer experience and its relationship with culture
- Understand different approaches to ethical decision-making models, frameworks and challenges including: whistleblowing, speaking up and managing conflicts of interest
- Understand consumer focused behaviours.

// I enjoyed the mix of webinar and self-learning whilst studying this programme. The content made me aware of various industry standards which will be beneficial to my current role. The weekly reminder emails kept me on track and the webinars were delivered in a clear, engaging and digestible format."
