TOUGH MUDDER INFINITY

WHAT IS TOUGH MUDDER INFINITY?

Tough Mudder Infinity is the entry-level offering in the Tough Mudder Endurance Series, combining an 8-hour multi-lap race format with Tough Mudder's 15k and 5k courses.

Here's how it works:

- Infinity participants will don their purple race bib & timing chip, and assemble at the start to be first out on course at 7:45 AM on a Saturday morning
- Briefing will commence at 7:30 AM at the start line.
- All Infinity participants will tackle a lap of the 15k course first.
- After finishing their 15k lap, Infinity participants will have the choice between going out for an additional 5k or 15k laps to rack up mileage.
- A dedicated drop zone in the festival will give dedicated space to stash your gear, allowing you to refuel and refresh in between laps. Plus, you'll have access to all of the Mudder Village amenities.
- Obstacles will have dedicated bypass lanes for Infinity participants to allow them to advance to the front for expedited access. Plus, you'll have the help of thousands of fellow Mudders on course.
- The cutoff time for starting another 15k lap is 1:45 PM. The last 5k lap start cutoff time is 3:45 PM. The course will close at 4:45 PM.

Whether you're a first-timer or a seasoned Mudder, this epic challenge will push your limits, test your grit, and leave you with stories bigger than the Texas sky.
