## WHAT TO BRING:

- Photo ID & your Registration QR Code. Access your account [here](#) to print or screenshot your e-ticket.
- Spare clothes and shoes and a towel.
- Bag for muddy clothes - We have enough odd socks and muddy shoes to last a lifetime! Please take your muddy clothes home with you.
- Your bank card - **We're going cashless.** Whether you're buying the newest kit or re-fuelling post event, you'll want your bank card to hand.

## WHAT TO WEAR:

- Keep an eye on the weather as your event approaches. Be sure to bring sunscreen if it is warm and extra layers for the cold.
- Try to avoid wearing any form of jewelry including wedding rings/bands. Additionally, whilst we allow watches and GoPros to be worn please be aware that these can easily be lost across the course and obstacles and are worn at the owners risk.
- Try to avoid loose clothing that can get caught on barbed wire. Tight, moisture-wicking leggings, t-shirts and shorts won't hold water and are less likely to chafe.
- A comfy pair of running trainers are the best footwear, but they will get muddy so leave your box-fresh pair at home. Spikes, cleats and football boots are strictly prohibited.
- For more advice on wearable tech, avoiding chafing and the age old debate on gloves, read our [What to Wear blog](#).

**FORGOTTEN YOUR GEAR? OUR OFFICIAL MERCHANDISE TENT WILL BE OPEN IN THE VILLAGE AREA.**

# INFINITY RACERS:

- Infinity Wave is at 7:30AM, please make sure you arrive in plenty of time to check-in, leave any kit at the Infinity Drop Zone and head to the start chute for the brief and warm up.
- You will receive a BIB at check in that has your timing chip attached. You MUST wear this BIB as the outermost layer for the duration of the event. Please make sure that the timing chip remains attached to your bib as this is how we track your laps.
- To be considered an official finisher of Infinity you must complete the 15KM course first and then at least one other 5KM or 15KM lap.
- The 15KM course will be closed to Infinity participants at 1:45pm. If you run this course route after this time, the distance will only be counted as 5KM.
- The course start will be closed to Infinity participants at 3:45pm. Any laps that start after this time will not be counted towards your total distance. In order for your last lap to be counted as an active lap you must ensure you cross the finish line and complete your penalties before 4:45pm.
- There will be a small race center near the Infinity Drop Zone should you wish to track your progress throughout the day. This will also be where you collect your finisher items including: Infinity Headband, Infinity Medal, Generic TM Finisher Tee, and Infinity distance widget. In order to collect these items, you will need to return your timing chip and a complete set of penalty wristbands.
- Penalties will continue to be undertaken in a marked area next to the Race Centre and Drop Zone at the end of each lap. Purple penalty wristbands correlating to the number of penalty obstacles on the 15KM course will be given to you at Registration. You must wear these on course from the start. If you fail a penalty obstacle you will have one wristband removed. Once you finish your lap you will need to complete the number of penalties required in the penalty area before starting your next lap. Upon completion of all assessed penalties from your previous lap, you will be resupplied with penalty wristbands for your next lap.
  - Final laps shall not be considered complete until you have completed all assessed penalties and turned in your remaining penalty wristbands at the Race Centre.
  - If you attempt to continue on course without having successfully completed an obstacle or forfeiting a penalty wristband you will be immediately disqualified from the event.
  - If you attempt to continue back on to course without completing the required number of penalties at the race centre and run out of penalty wristbands on your next lap you will immediately be disqualified from the event.
- There will be a marked Infinity bypass next to the start for all Infinity participants to get back on course with ease after their first lap.
- Results and live tracking will be available from our timing team onsite, whilst a final results page will go live on our website soon after the event.
- Tough Mudder Infinity 2025 Rules can be found [here](#). Please familiarise yourself with them before the event.

## COURSE HIGHLIGHTS:

- Set in the epic grounds of Belvoir Castle, this course serves up sweeping views, brutal hills and one filthy obstacle after another. Expect leg-burning climbs, root-strewn woodland trails, and mud that'll try to swallow your shoes whole. With waterlogged ditches, slippery descents and relentless elevation, this isn't your average countryside jog, it's a full-throttle test of grit and guts.

## LET'S GET SOCIAL

- If you haven't already, be sure to join the action on the [Facebook page](#).
- Don't forget to share your journey with us on your socials and tag @toughmuddereurope as you gear up for event weekend. That night before flat lay, the cheesy arrival group pic,<sup>7</sup> or the 'OMG-I've-just-got-my-headband' shot...we want to see it all.

# EVENT & COURSE SAFETY RULES:

*They're Like Duct Tape. Not Sexy, but Essential*

Safety and respect come first – for yourself, your fellow Mudders, and our crew out on course. Tough Mudder is all about teamwork, but there are still a few rules to play by.

Keep these in mind as you crush the mud:

- You **MUST** be able to swim 25 metres if you attempt water obstacles.
- If you do not feel comfortable completing any obstacle, **DO NOT** attempt it; simply continue on to the next obstacle via the bypass lane.
- Please refer to our [virus safety guidelines](#) for information on if attendance if you feel unwell or are a close contact.
- There is food and drink available at the refreshment stations on course, if you have any allergies please check the product details before consuming. Allergen signs will be displayed.
- Help your team – smartly. Teamwork is encouraged, but putting someone on your shoulders to get through hanging obstacles like Hangin' Tough or Just the Tip? Big nope. That's a safety hazard.
- Be cool out there. No pushing, shoving, or rough behavior. Don't be gross. Waste goes in bins – not the trail.
- Respect volunteers and staff. They're the real MVPs. Speak to them if you or others need help.
- Follow the Signs, Not the Crowd. Look out for directional arrows, obstacle warnings, and safety notices along the route. If a sign says "Caution," we mean it.
- No obstacle is mandatory. If you're not physically ready for a challenge, don't risk it. Skip it.
- Medical warnings and Course Safety signage matter. If you have a heart condition, pacemaker, metal implants, or a history of seizures, do **NOT** attempt electrical obstacles.
- **There is one electrified obstacle on course, please do not attempt them if you have a heart condition, metal in your body, history of neurological conditions, or are pregnant.**
- All of the obstacles you will face on course will have an obstacle sign in front of them containing safety information. Please make sure you take your time to observe this signage and adhere to any safety guidance given.

It's all about mud, camaraderie, and making memories – let's keep it fun and safe for everyone.
