VENUE & COURSE DESCRIPTIONS

Tough Mudder Indiana is coming back to CERAland Park and it's beautiful lakeside trails. You'll experience big time elevation changes and miles of muddy mayhem packed with an insane obstacle course. Who knew the midwest could get so dirty?

Special Gear: Participants should plan to bring appropriate fuel for their needs. Nutrition and electrolytes will be available on course. Hydration packs (or water containers of some variety) are strongly suggested for all participants. Please note that shoes with spikes are not allowed.

AID STATIONS

At each stop you will be able to drink as much water as you want, however we ask that you only take one (1) cup. All participants will have the ability to fill their hydration pack at the Start Line.

- **15K:** There will be seven (7) aid stations on course, including one (1) hydration pack refill station with nutrition and/or electrolytes.
- **5K:** There will be three (3) aid stations on course.

ON-COURSE HYDRATION TIPS

- Make sure to fill your pack up prior to the event. You can purchase hydration packs at the merchandise tent on event day.
- Make sure you carry enough water to be able to keep yourself hydrated between stations.
- Make sure to stop at every aid station to get water, use your pack in between.
- We highly suggest carrying some type of electrolyte drink in addition to water.
- Make sure to properly hydrate in the week leading up to the event.

COURSE CUTOFFS

As a safety precaution for participants, Tough Mudder only operates in daylight hours. All participants must be at the finish line by sunset. Any participants remaining on course after sunset will be directed back to the Festival Area in the most direct path possible. You will not get a refund or a future event credit in the event of removal from course.

INCLEMENT WEATHER

In the event of inclement weather such as lightning, tornadoes, hurricanes, and the like, Tough Mudder reserves the right to eliminate obstacles, select portions of the course or cancel the event in order to ensure the safety of runners, volunteers, and staff. As always, weather can be unpredictable.

EQUIPMENT & CLOTHING

- All participants are encouraged to bring a change of clothes, shoes, and a plastic bag for wet and muddy items. There will be changing tents at the event. Please plan your post-event gear accordingly.
- Hydration packs are strongly recommended for all participants.
- Shoes with spikes are not allowed.
- Our official merchandise tent will open at the same time as the festival area. Forget your running shoes, change of clothes, spare socks? We can help.
