## Why I use the Multiple Listing Service

1. My membership in the Multiple Listing Service (MLS) puts your home in front of nearly every agent working with potential buyers.

2. When I place your home on the MLS, it is displayed on nearly every real estate company website and on top real estate search apps.

3. Not placing a home on the MLS could cost you tens of thousands of dollars.

4. Working with me and listing your home on the MLS produces better results for you.
