Welcome to your Workspace!

Jump into the menu: The menu has been slightly reorganized but the functionality is the same!

Find listings: Use Search by MLS # and quickly get exactly what you're looking for.

Update your account: This is where you will find your account, billing, MLS settings, communication preferences, and more.

Alert and Notifications: Easily view important updates and complete your tasks.

Market Watch: The Market Watch gives you a quick glance at the activity in your market area.

Listing Activity: Quickly see an overview of your listing activity. To enter, edit, or manage your listings, click on "Go to Listing Management" in the top right corner.

News: Get the latest news and information from Bright, your office and your Association.

Hot Sheets: Hot Sheets offer a quick market update based on property criteria and location.

Concierge: See any matches for your Concierge searches or learn how to create a Concierge search.
