

# Draw an #EndBullying Superhero comic

Think of a time someone was mean to you or to someone you know. Did it happen on the playground, or in an online game? Being mean is never okay.

Now think of your favourite superhero! Superheroes help fix problems and make things better. **Draw a cartoon of you being a superhero who stops someone from being mean to your friend.** What would you say to the person being mean, or how would you help your friend so they feel better?
