

# Smart Social

## Be Smart on Social Media Tip #1: Respect Privacy.

Never share or forward intimate images of other people - it's not your right and it can impact lives - including your own.

**Did you know...**Canada's anti-cyberbullying law, Bill C-13, makes it illegal to share "intimate images" of someone. You can be fined and even serve jail time. **It's the law.**

Take charge of your online reputation.
