

# Kindness poem.

Think about what it means to be kind online – what are some different actions you can take to create a positive online community? Examples include sharing a funny meme, sending a friendly text message, or standing up for someone if they are being bullied in an online game.

Once you have a few ideas on how to promote kindness online, create your own acrostic poem using the word **kindness** below. To create your acrostic poem, start each line with a word or phrase that starts with the letter on that line. See the example below using the word **Wise**:

**W**hen we are kind  
**I**t makes others feel happy  
**S**o, remember to be kind online and help  
**E**nd bullying
