The core sectors in which we work

Flexibility

We offer flexible working options; hybrid home-office and/or client sites. Ultimately, this flexibility aims to maintain a work-life balance for our team members.

Career progression

Supporting career progression, and personal and professional development are key priorities at Linesight. We invest in our people in a range of ways to support them in excelling in their role and chosen field.

Meaningful impact

Our regional DE&I teams and Employee Resource Groups produce a variety of engaging learning opportunities throughout the year, as part of our commitment to true inclusivity and diversity. We have regional CSR teams in place around the globe who collaborate with local organisations to have a positive impact in the communities in which we work.

Mobility

At Linesight, internal mobility is actively encouraged, and there are many opportunities to experience living and working in other locations. Whether it is a longer-term move or for a project duration, we have a dedicated mobility team to support and guide.
