The core sectors in which we work

The graduate career pathway

Your career with Linesight starts with a two-year training programme to give you the confidence, experience and knowledge to help you progress with us. You'll get hands-on learning, soft skills development, and the chance to work with our senior team. Enjoy monthly support from our Managing Director of Europe, network with industry leaders, and collaborate with fellow grads. Plus, you'll have a safe space for questions and support for your professional qualifications.

Career progression

At Linesight, learning and development take place throughout every stage of your career, both personally and professionally. We invest in our people to help them excel in their roles and chosen fields.

Meaningful impact

We're serious about ESG (Environmental Social and Governance) —whether for our clients, the planet, community, or ourselves. Discover our efforts in sustainability and social responsibility by downloading our ESG report from our QR code overleaf.

Flexibility and mobility

We offer flexible work options to support work-life balance and global mobility for enriching, cross-cultural experiences.
