

Andrew F. Alexis, MD, MPH, FAAD
Nominating Committee Member Representative Candidate

My name is Andrew Alexis.

Having served the Academy and our specialty in various leadership roles over the past 16 years, I have had the privilege of working closely with phenomenal past, current, and future leaders in dermatology. I therefore have a deep appreciation and knowledge of the type of individuals that help move our specialty forward. With your support, I would be honored to help shape the future of our leadership by serving on the Nominating Committee.

Thank you for your consideration.
