

Adrian O. Rodriguez, MD, FAAD
Board of Director Candidate

Hello, my name is Adrian Rodriguez and I am honored to be one of the slated candidates for the Board of Directors of our Academy.

I have served as president of our local dermatology society, of our state dermatology society and presently am on several boards including the TN Medical Association. I am a member of the AAD state policy committee continuing our support at the local and grass roots level where real change begins. I am proud of the work that we have done fighting for our profession, our organization and most importantly our patients.

My growth in our leadership conferences, participation in our legislative conferences and experience throughout my career have helped me become the leader that I am today. I am asking for your vote so that we can have a stronger voice, a stronger academy and a stronger future for all of us.
