

February 2024

Dear Advisory Board members,

Nominations

Call for nominations!

Three Advisory Board Executive Committee seats will be open at the conclusion of the 2024 Annual Meeting. **Voting for the positions will take place during the General Business Meeting.** This is a great opportunity for you to become involved in a leadership position on the Advisory Board, or to nominate someone that you know would be an asset to the Committee.

Nominate yourself or someone else [here](#).

Has your society participated in the short compliance survey?

The Advisory Board Executive Committee is conducting a short [survey](#) to ensure that the Advisory Board is in compliance with our guidelines. We have created a very short survey to enable each society to provide us with the necessary data. The form also provides space for you to confirm your representative and designate an alternate representative.
