### Confidential & Proprietary Information

The July 12, 2025 Board of Directors meeting online ballot is now live.

Please access and complete this ballot by **Saturday, July 5, 2025** at <https://aad.boardeffect.com/>.

Once on the BoardEffect Home page, click the dropdown caret to the right of **My Upcoming Events** and scroll to locate the **Board of Directors Meeting**. Click on the **Open Attachments** box and locate the **July 12, 2025 AAD & AADA Board of Directors Online Ballot** link to review the materials and cast your vote.

If you wish to have an item moved from the online ballot so it can be discussed at the Board of Directors meeting, simply select the "pull for Board discussion" option **AND** provide your concerns in the comments section. The meeting agenda has been designed to focus the items coming to the Board that require discussion before a vote is taken. Except in extreme cases, items that are presented for information only should not be pulled for Board discussion. If you have questions about an information report, please contact me with your comment/concern and I will work with the staff and Board liaisons to find you an answer.

Please read the following recommendation for action and information reports and indicate your vote by **Saturday, July 5, 2025**.

#### Incoming officers and directors:

**You are being made aware of the online ballot for information only. No action is required by you at this time.**

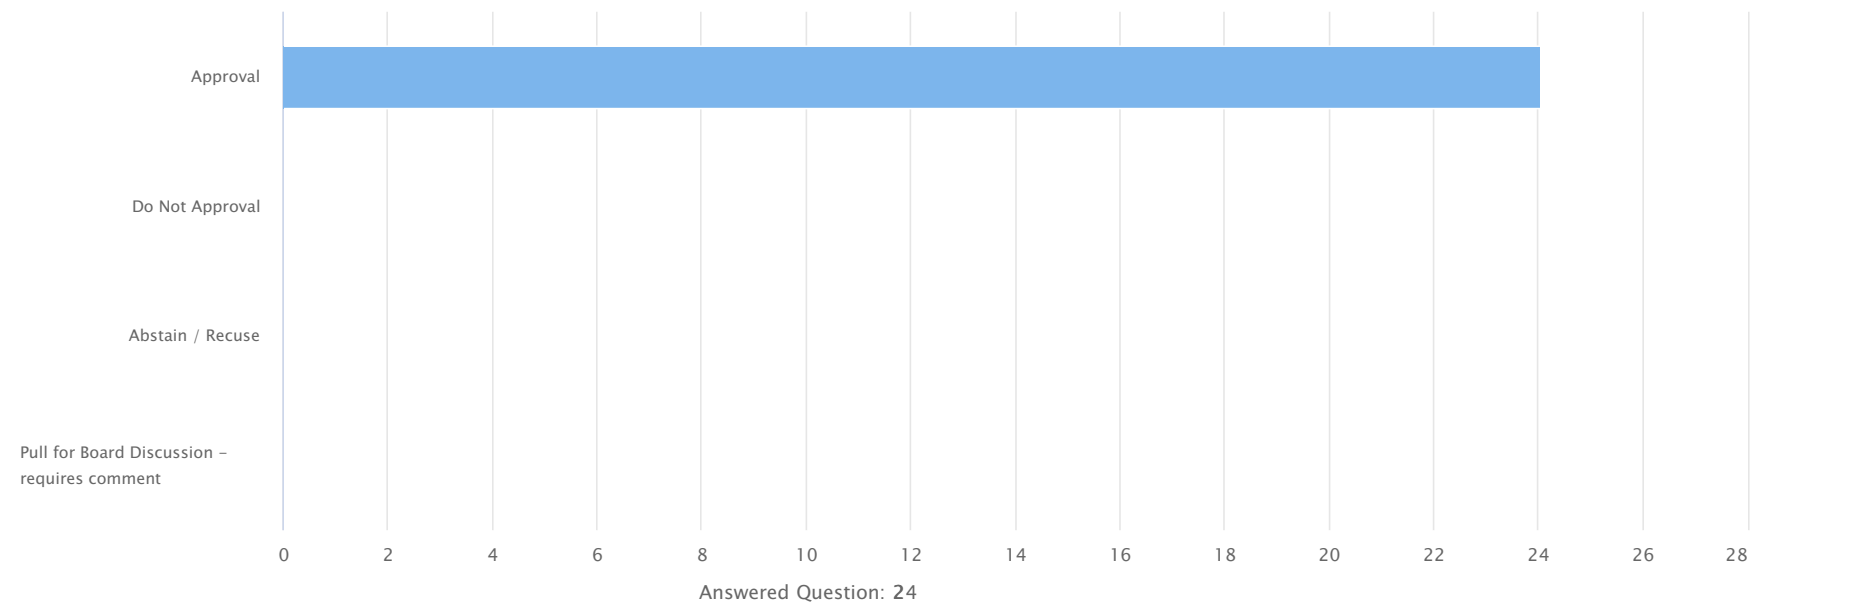

Thank you.

1. Concerns that AAD legislative agenda does not include advocacy for dealing with threats to dermatology patients-in-poverty's access to medicaid. 2. Same issue with advocacy for skin health related to nutrition due to SNAP reductions. 3. Headline success with CAP lab directors.  Kevin Cooper on 7/7/2025 8:57AM

I am sure many folks are following the discussions on TBCD FB Group. No specific call to action from me. Additionally, I think there is more excitement about this Innovation Academy than last few years and I hear that the location is better received at least by the industry folks that have reached out to me. 1. Review the academy's COI guidelines and instructions and consider enforcement policy. As industry and derm groups and members find new and inventive vehicles to hide payments and conflicts, it has become more difficult to manage sensitive committee work.  Howard Rogers on 6/29/2025 5:26PM
