

Medication access guide

If you have trouble accessing your medication or the price is unaffordable, please contact our office at _____

- When a drug is prescribed in the office we do not know what your copay or coinsurance will be in advance.
- Insurance plans can change cost sharing levels in the middle of your plan for drugs which can lead to increased costs for you.
- Drug prices often vary based on where it is filled.
- We are happy to discuss additional treatment options with you that may be more cost-effective.
