American Academy of Dermatology Association

Did you know that the Government is planning deep cuts to Medicare?

Right now, the Medicare program plans cuts that will threaten your ability to see your doctor. These cuts may force doctors' offices to stop taking Medicare or worse, to close.

Medicare is a promise that was made to you! - You paid for it, but now it is under threat.

We are committed to continuing to provide you with the quality dermatologic care you deserve. We are fighting these cuts with full force. You can help! Nothing is more important than your voice, so we've made it easy for you to speak up for your rightful Medicare benefits.

Tell Congress to halt these cuts.

It's easy — just scan this code or visit the website below to seamlessly send a letter to your members of Congress.
