Phone: (866) 503-SKIN (7546)

Email: mrc@aad.org

Website: www.aad.org

IMPORTANT DATES

BOOTH PAYMENT SCHEDULE

May 27, 2026: A deposit of 25% of the total booth fee is due to retain your reserved space. New applications received after this date will require a 25% deposit to secure space.

September 23, 2026: A second deposit of 25% of the total booth fee is due in order to retain reserved booth space. Applications received after September 23, 2026 require 50% payment of the total booth fee within 15 business days of receiving the invoice.

December 9, 2026: Full payment of the booth fee is due in order to retain reserved booth space. The Academy may terminate the booth contract and release the space back into inventory for nonpayment of the deposit or final booth fees by the deadline date(s). Applications received after December 9, 2026 require 100% payment of total booth fee within 15 business days of receiving the invoice.

Installation of Exhibits	
Monday, March 15	Target Move-In
Tuesday, March 16	8 a.m. – 5 p.m.
Wednesday, March 17	8 a.m. – 5 p.m.
Thursday, March 18	8 a.m. – 6 p.m.

Exhibitor Registration	
Wednesday, March 17	10 a.m. – 4 p.m.
Thursday, March 18	8 a.m. – 5:30 p.m.
Friday, March 19	7 a.m. – 5 p.m.
Saturday, March 20	7 a.m. – 5 p.m.
Sunday, March 21	7:30 a.m. – 3 p.m.

Exhibit Hours	
Friday, March 19	10 a.m. – 5 p.m.
Saturday, March 20	10 a.m. – 5 p.m.
Sunday, March 21	10 a.m. – 3 p.m.

Dismantling of Exhibits	
Sunday, March 21	3 p.m. – 9 p.m.
Monday, March 22	8 a.m. – 5 p.m.

MEETING & EVENT SPACE REQUEST FORM AVAILABLE July 2026
ADVERTISING OPPORTUNITIES AVAILABLE August 2026
EXHIBITOR SERVICES MANUAL AVAILABLE September 2026
BADGE REGISTRATION & HOUSING OPENS October 2026

Deposit and Payment Information

Booth Fees

\$46.00 per square foot

\$61.00 per square foot for premium linear booths (*limited availability*)

The price of the booth includes the following:

- Four (4) exhibitor badges per 100 square feet of booth space
- Company listing published online and the Meeting App
- Access to exclusive advertising, promotional & sponsorship opportunities
- Access to negotiated AAD housing rates, and authorization to request meeting space in AAD designated hotels
- An identification sign with official company name and booth number

Booth Payment

May 27, 2026: A deposit of 25% of the total booth fee is due to retain your reserved space. New applications received after this date will require a 25% deposit to secure space.

September 23, 2026: A second deposit of 25% of the total booth fee is due in order to retain reserved booth space. Applications received after September 23, 2026 require 50% payment of the total booth fee within 15 business days of receiving the invoice.

December 9, 2026: Full payment of the booth fee is due in order to retain reserved booth space. **The Academy has authorization to terminate the booth contract and release the space back into inventory for non-payment by the deadline date(s), however, any booth cancellations must be made in writing and submitted via official notice.**

Non-payment of your deposit or final booth fees does not equate to a cancellation. Applications received after December 9, 2026 require 100% payment of total booth fee within 15 business days of receiving the invoice.

Companies with balances will not be permitted to exhibit; all freight will be held and not delivered to your booth until full payment is received.

Your booth assignment confirmation with corresponding invoice will be emailed to the administrative contact within 5 business days after space assignment.

No application will be processed or space assigned until any outstanding accounts with the Academy are paid in full. The acceptance by the Academy of a deposit with an Application does not in any way constitute acceptance of the Application or grant permission to exhibit.

Payment must be by a check in U.S. funds drawn on a U.S. institution or online by credit card to American Academy of Dermatology.

Please include a copy of your invoice with all payments.

United States Postal Service (USPS) and Express Mail, UPS and FedEx Address:

American Academy of Dermatology
ATTN: Meetings & Conventions
37901 Eagle Way
Chicago, IL 60678-1379

The Academy bears no liability for any application that is not received through the address listed above or for any incomplete submission via the online application site.

Exhibitor Directed Space Cancellations/Reductions

Notification of an exhibitor's decision to cancel or reduce space must be sent in writing on company letterhead to the Academy Exhibit Manager. The date of cancellation shall be the date that the Academy received the written cancellation. If an exhibiting company does not cancel their space in writing and does not occupy their booth space onsite, the company will be liable for 100% of the cancellation fees, automatically forfeit all priority points and may not be permitted to participate at future Academy meetings.

If written notification of cancellation or booth reduction is received at the Academy office:

Full Refund	By September 23, 2026
50% Refund on Cancelled space or reduction of space	September 24 – December 9, 2026
No Refunds	After December 9, 2026

Cancellation fees are remuneration for losses incurred by the Academy and are non-transferable. An exhibitor's cancellation of exhibit space will result in the release by the Academy office of any hotel/convention center meeting space previously assigned to the exhibitor and all sleeping rooms assigned to the exhibitor.

Booth Types

Linear booths are 10'x10', arranged in a linear configuration. Island exhibits are created by combining linear booths in a minimum configuration of 20' x 20'. In most cases, the width (frontage) of an island booth may not exceed the length. In order to preserve the maximum amount of unimpeded aisles, and to facilitate optimal traffic flow, booth widths that impede into aisles are not permitted (including, but not limited to, 30', 40', 60', 70' and 90' width).

All dimensions are believed to be accurate but are not warranted by the Academy.

Exposed, unfinished sides or exhibit backgrounds must be draped to present an attractive appearance. The exhibit hall will be inspected during the setup time and the service contractor, with the approval of the Academy, will provide masking drape as deemed necessary. Any charges incurred will be the responsibility of the exhibitor.

During the installation and exhibit days, all booths are subject to on-site review. The Academy reserves the right to request modifications where necessary at the exhibitor's expense to ensure compliance with construction rules and regulations.

All exhibits are to be designed in such a manner that the presentation of products and services in the exhibit hall will enhance the overall educational goals of the Annual Meeting.

Linear Booths

- Linear booths are 10' x 10' (100 square feet) or multiples thereof and are arranged in a straight line.
- All linear booths consist of 8'3" high back drape and 4'0" high side dividers mounted on aluminum tubular frames.
- Exhibit fixtures, components and identification signs will be permitted to a maximum height of 8'3" (2.5m).
- Display material for linear booths is restricted to a maximum height of 4'0" (1.22m) in the front 5' (1.52m) of the booth, and 8'3" (2.5m) in the rear 5' (1.52m) of the booth.
- To maintain uniformity and to prevent obstruction of view of adjoining booths, no solid or draped walls can be higher than 8'3" in the back and 4'0" along the dividers and aisles, within 10 lineal feet of a neighboring exhibit.

10' X 10" LINEAR BOOTH EXAMPLE

Island Booths

An island exhibit consists of four or more standard booths back-to-back with aisles on all four sides. Multi-level exhibit booths are not permitted.

The height limit for island exhibits is 20'0" (6.09m).

Any branded exhibit fixtures, components, identification signs will be permitted to a maximum height of 20'0" (6.09m) at the top. Unbranded lighting truss, motors, or rigging may be set above 20'0".

Complete booth construction plans and layout arrangements for island exhibits are required for review by the Academy by February 3, 2027. Neither the Academy, the convention center, nor the general service contractor bear responsibility for the exhibitor's compliance with Academy booth construction policy. It is the sole responsibility of the exhibiting company and/or their agents to ensure compliance with Academy and facility booth construction policy.

During the installation and exhibit days, all booths are subject to on-site review. The Academy reserves the right to request modifications where necessary at the exhibitor's expense to ensure compliance with construction rules and regulations.

PLAN VIEW

Application Process

Eligibility to Exhibit

The Academy will consider applications for exhibit space for products or services in the following categories:

- Pharmaceuticals (both prescription and nonprescription)¹
- Equipment and devices designed for diagnosis or treatment of dermatologic conditions²
- Cosmetics and skin care³
- Scientific/medical educational publications
- Activities of professional and educational organizations
- Products or services relating to the support of non-medical aspects of the practice of dermatology (office equipment, record keeping equipment or services, etc.)
- Physician recruitment and placement services*
- Research survey activities, in conjunction with confirmed exhibiting companies*

*Please note that the amount of space available for the exhibition of products or services in the last two categories will be subject to special limitations or complete elimination, as determined by the Academy, depending upon the availability of space to accommodate exhibits of scientific educational value.

¹ FDA Division of Drug Marketing, Human Drug Information, Division of Drug Information (CDER) Office of Communications

² FDA Office of Compliance, CDRH-Center for Devices and Radiological Health

³ FDA Center for Food Safety and Applied Nutrition (CFSAN)

Evaluation of Exhibit Application

The Academy will examine all Space Application/Contracts ("Application") and evaluate to determine whether they satisfy the Academy's eligibility criteria and other requirements set forth herein.

Permission to exhibit does not constitute in any way an Academy endorsement or approval of the exhibited products or services or guarantee that space will be assigned.

The examination and evaluation of Applications will be performed by the Academy in accordance with guidelines herein. The decisions of the Academy regarding applications shall be final. The principal criteria to be considered by the Academy include, but are not limited to, whether the products or services proposed for exhibition relate specifically to the practice and advancement of dermatology, or the education of the dermatologist and their patients.

AAD reserves the right to refuse space to any company that has failed to fulfill its financial obligations to AAD, and/or whose products/service, in the sole judgment of AAD do not meet the educational, scientific, or practice needs of AAD members.

Applicants that have either never exhibited at an Academy Meeting or have not exhibited in the past three years must complete the review process, prior to assignment of exhibit space.

All exhibitors must disclose details on any consumer or government litigation, orders, injunctions, judgments, or settlements over the last three years regarding the business practices of the company or the products and services to be exhibited. Companies with multiple complaints filed against them with state or federal consumer affairs regulatory agencies, the Better Business Bureau, or Academy members may be required to provide an explanation of the resolution of those complaints.

Application Procedures for First Time Exhibitors

A completed exhibit space application must include the following:

- Company profile, a copy of the company's filed Articles of Incorporation or W9, company history, products and/or services the company plans to exhibit (i.e. product brochures or literature).
- Documentation of FDA filing status (if applicable) or acknowledgement of compliance with FDA policies.

Application Procedures for Previous Exhibitors

Applicant must submit a properly completed exhibit space application.

Exhibitors utilizing the services of a third party to contract for exhibit space and services must provide written authorization on Company Letterhead indicating the name and contact information of the authorized third party. This documentation should accompany the application for space or emailed to exhibits@aad.org.

A previous exhibitor must complete the review process only if there has been a material change in circumstances relating to its company (e.g., a change in ownership, control, or legal status) or in the nature, name, composition, products, labeling, or regulatory status of the products and services to be exhibited.

General Application Policies

The Application must include complete descriptive information and a list of all product categories that will be exhibited at the 2027 AAD Annual Meeting.

All acceptances of Applications and assignments of exhibit space are conditioned upon continued compliance of the products or services proposed for exhibition with the basic criteria established for exhibits. If at any time a product or service for which an Application has been accepted fails to conform to such basic criteria, the Academy may revoke its acceptance of the application and all exhibit space rental fees paid to date by the applicant may be refunded in accordance with Academy's refund policy, and the Academy shall have no further liability to the applicant with respect to the proposed exhibition. Similarly, the Academy, on the basis of new information, will impose such additional conditions on an exhibitor as deemed necessary to assure that such an exhibit satisfies the basic criteria for exhibits.

Applications from companies that have outstanding balances due to the Academy, its contractors, or vendors will not be processed without full payment of delinquent accounts.

Successfully completing the exhibit application or the exhibit review process does not guarantee that you will be assigned booth space. Academy exhibit space is selected in priority point order by exhibitors that have a history of exhibiting at the Academy meetings.

Notwithstanding the foregoing, The Academy and Exhibitor agree that Exhibitor shall have the right to disclose publicly the existence of this agreement, the terms and conditions of this agreement, description of services, amount of payment and any other disclosures as required by law.

The AAD Application/Contract is the only agreement that Academy will enter into regarding the reservation and use of exhibit space at the Annual Meeting. Companies that insist on using their exhibit agreement or that wish to make changes or amendments to the Application/Contract will not be permitted to exhibit at the Annual Meeting.

Selection of Booth Space/Priority Point System

The first selections of space under the priority point system will be made during the onsite space draw during the 2026 AAD Annual Meeting. 2026 Annual Meeting Exhibitors will have priority to select their space during the onsite space draw. Selection times are based upon accrued priority points. Priority points are determined by:

- Participation at the Annual and Innovation Academy exhibit programs.
- Amount of exhibit space for which an applicant was assigned in prior meetings.

Remaining space assignments will begin May 2026. Applications will be processed on a first come, first served basis, and will be assigned within 10 business days of receipt of the application. In the event exhibit space for the Annual Meeting is sold out, companies will automatically be placed on a waiting list. As long as space is available, the Academy will continue to make space assignments on a periodic basis until February 19, 2027. All space assignments are subject to the cancellation policy deadlines, regardless of the date space was assigned.

The Academy reserves the right to rearrange the floor plan at any time. The Academy reserves the right to relocate exhibitors should it become necessary for causes beyond the control of the Academy, or advisable in the best judgment of the Academy.

After assignment of space, exhibitor agrees to accept relocation to other comparable space if the Academy deems such a relocation to be necessary or appropriate. Because space may not be available to accommodate all qualified applicants, the Academy may have to select among qualified applicants in granting permission to exhibit.

The Academy will attempt to accommodate exhibitor requests for specific booth(s); however, no guarantees can be made that the Exhibitor will be assigned the specified booth(s) requested. The Exhibitor acknowledges that they are not contracting for a specified booth(s), but rather for the right to participate in the Academy Annual Meeting.

Multiple Divisions, Mergers, Acquisitions, Spin-Offs

Companies may choose to average priority points to be grouped together in the space selection process. The process will allow divisions to contract separately while maintaining their own identities, i.e. exhibits, exhibit listings, badges, etc. Each corporate division must notify the Academy Exhibits Manager, in writing by February 19, 2027, of their desire to be grouped together with other divisions.

Companies that have merged with, been purchased by, or have purchased another company may use the exhibit history from company alone, whichever is more favorable, but not the combined history of both companies. The Academy should be notified in writing by both companies' that the acquisition or merger between companies has been completed and list the date of completion. Companies requesting a transfer of points must be "directly related" to an exhibiting company in order to inherit those points. A "directly related" company shall be defined as a company that is wholly owned by, is a controlling owner of or has merged with another company. All requests for transfer of points must be submitted in writing to the Academy Exhibit Manager and confirmed in writing by the parent or subsidiary company.

A company restructure that results in a newly formed independent business (spin-off) may use the exhibit history of the parent company. The Academy should be notified, in writing, that the restructure (spin-off) has been completed. If the parent company is relinquishing the exhibit space to a spin-off company, the parent company must cancel the contract with the Academy, and the spin-off company must submit a new application/contract for space. In this case, the Academy will issue a refund to the parent company, pursuant to cancellation policies, and the full exhibit space payment will become the responsibility of the spin-off company.

Rules, Regulations & Guidelines

Right of Refusal

The Academy reserves the right to reject requests for promotions, or not to renew previously approved promotions, at any time, for any reason, or no reason at all. Promotions that conflict, or have the appearance of conflicting, with Academy policy are prohibited.

Endorsement

The Academy's acceptance of promotion is not intended to convey Academy approval, endorsement, certification, acceptance, or referral of any organization, or any product or service manufactured or distributed by that organization. Promotion permitted in Academy communications vehicles is not to be construed or publicized as an endorsement or approval by the Academy, nor may the promoter state that its claims are approved or endorsed by the Academy. The fact that a promotion for an organization, a product, or a service has appeared in an Academy-sponsored communications vehicle, shall not be referred to in collateral advertising or literature by that organization.

Comparisons

Comparison to the Academy's products or services is prohibited. Comparison to a competitor's products or services is permitted if claims of superiority have not been challenged by the FDA or FTC and data from well-controlled clinical studies cited in recognized, peer-reviewed medical journals, are cited in the ad and can be made available to the Advertising Review Team upon request.

Comparisons to a competitor's products or services may not be disparaging, false or misleading. The Academy requires that advertisers affirmatively attest in writing that they are in compliance with FDA and FTC guidelines on comparative advertising and/or that they have met the standards of the FDA/FTC.

Competition

Promotion of products, meetings, and services that compete directly with those offered by the Academy is generally prohibited. Membership solicitation by organizations other than the Academy and the members of the Intersociety Liaison Committee and state dermatology societies, which have established reciprocal agreements, is prohibited. Fundraising by organizations or individuals other than the Academy is strictly prohibited.

Display of Non-Academy Corporate Recognition

The display of corporate recognition from organizations other than the American Academy of Dermatology is generally discouraged. The Academy will permit exhibitors to display one table-top sign per organization. The size of the sign must be smaller than 5" x 7".

Propriety

Promotions deemed by the Academy, in its sole judgment, to be indecent, offensive or otherwise inappropriate in content are prohibited.

Interpretation and Application of Guidelines

All matters and questions not specifically covered by these Guidelines, or other specific Academy guidelines, are subject to the final decision of the Assistant Secretary-Treasurer of the Academy.

Termination

The Academy reserves the right to terminate any promotion that could reasonably be determined to affect adversely the goodwill or reputation of the Academy or its affiliates.

Violations

Specific actions may be taken by the Academy for violation of any provision of these guidelines. Violations of any Academy policies, guidelines, rules or regulations may result in the loss of priority points for future space assignments and/or immediate removal from the exhibit hall and/or denial of exhibit space at future meetings. The action taken will be determined on the basis of the particular circumstances of the violations, but in cases involving major violations, may include legal action.

Canopies/Ceilings

The use of canopies in linear booths is prohibited. The use of canopies in island booths must be submitted for review by the Convention Center, by February 3, 2027 for fire regulation compliance. The Fire Marshall maintains final jurisdiction regarding the use of ceilings or canopies. Even with Fire Marshall approval, all ceilings and canopies must conform to island booth construction policies.

Raised Flooring

Raised floors used in booths must be ADA compliant. The flooring edge should be tapered down to the exhibit hall aisle. Corners on aisles should be rounded or protected.

Americans with Disabilities Act

Each exhibitor shall be responsible for compliance with the Americans with Disabilities Act of 1992 (ADA) with regard to their booth space, including, but not limited to, the wheelchair access provisions.

Aisle Space

The main aisles of the exhibit area are for the exclusive use of the Academy. Exhibitors are not permitted to purchase designated aisle space. The aisles will be maintained daily by the Academy.

Booth Carpet and Booth Cleaning

Booth carpeting/floor covering is mandatory. Carpet may be either supplied by the exhibitor or rented from the general service contractor. Exhibitors are not permitted to carpet outside their assigned exhibit space.

Exhibitors are required to keep their booths clean at all times. The Academy has the right to order daily cleaning if booth appearance is unsightly. Any costs for this cleaning will be charged to the exhibiting firm.

Lighting and Electrical Requirements

Sufficient light is provided for adequate general illumination of the exhibit area. At their own expense, island exhibitors are permitted to have exhibit hall lighting dimmed or turned off above their booth space only. No individual electrical outlets are provided in the booth space. All electrical service must be supplied by facility electricians to ensure that it will meet safety requirements of the fire regulations of San Francisco, CA.

Overhead Signs / Banners / Lighting Truss

Hanging signs are only permitted in island booth configurations. The suspended height limit of branded exhibit components is 20'0" (6.09m) when measured from the floor to the top of the sign/truss. Hanging signs/lighting truss may not exceed the perimeter of the booth but may be positioned above the branded components.

If you plan to suspend a sign, banner, or lighting truss from the ceiling as part of your island booth, you must inform the General Service Contractor and the Moscone Center by February 3, 2027.

Exhibitor lighting must be limited to the confines of the booth space. Lighting that projects onto another exhibitor's space or Academy aisles or otherwise detracts from the professional atmosphere of the event will not be permitted.

Blueprints indicating hanging points, hanging location and total weight of the sign or truss must be submitted with the hanging sign order form to the General Service Contractor & the Moscone Center by February 3, 2027. The rigging specifications for the Moscone Center will be included in the Exhibitor Service Manual. The use of balloons as part of the exhibit display or as a giveaway is prohibited.

Facility Fire/Safety Guidelines

The Convention Center has established guidelines regarding acceptable booth configuration from a safety standpoint. It is the responsibility of each exhibitor to ensure compliance with all Facility Regulations. Facility Regulations related to exhibit booths are available in the Service Manual, available in September 2026.

Registration

The exhibitor badge allows admittance to Exhibits, the Opening Ceremony, and Plenary. Full meeting registration in an alternate, appropriate category is required to attend scientific sessions. No exhibitor will be admitted to the exhibit area without an exhibitor badge. Exhibitor badges are to be used for exhibiting company employees or agents who are staffing the booth.

Exhibitor personnel who wish to attend scientific sessions and/or obtain CME/CE credit(s) must register as a full conference professional attendee and pay the applicable registration fee. Attendee registration will begin in November and information can be found at <https://www.aad.org/member/meetings-education/am27/registration/non-member>

Additional exhibitor representatives over the booth allotment may be registered for a fee. Refunds will not be issued for additional badges purchased and not used. Registration fees must be paid at the time of registration-fee tiers below.

Before February 17, 2027 the over-allotment exhibitor registration fee is \$50.

Beginning February 17, 2027 the over-allotment exhibitor registration fee is \$100.

Name changes will be allowed up until February 17, 2027 at 12 p.m. noon CT. After that time name changes will not be accepted, and additional badges will need to be secured.

Badge Collection

- Badges will be available for pickup on-site by the individual badge holder.
- Each individual will be required to either have their personalized confirmation letter with QR code or present a business card with the exhibiting company name and a photo ID.
- Companies with 600 sqft and above will have the opportunity to schedule an appointment for bulk pickup of badges onsite. The deadline to select a badge pick up appointment is March 1, 2027.
- Badges will only be printed one time.
- Replacement badges will be processed at a \$50 fee per occurrence.

Additional Activities

Exhibitor Product Theater

The Exhibitor Product Theater offers exhibitors an opportunity to present a variety of findings on research, products, and demonstrations, directly to registered medical personnel attending the Meeting, conveniently located in the Exhibit Hall! A theater-style setting is offered to exhibitors to present findings to a captive and dedicated audience during official exhibit hours.

Theater setting in the Exhibit Hall offers exhibitors an opportunity to:

- Present new research findings on products
- Showcase product details and demonstrations
- Highlight new products to an interested audience

Registered Medical Personnel Lists

The Academy provides advance and post meeting registration lists. The lists are available for rental for a one-time use only basis. This offer is available exclusively to confirmed exhibitors of the 2027 AAD Annual Meeting. The order form will be available online in July 2026.

Membership Mailing Lists

The Academy's membership list is more current and accurate than any other dermatology list available in the market. The Academy membership database is updated daily and we are able to provide data sorted in a number of ways. Because of this, Academy lists are widely utilized by both major medical publishers and pharmaceutical companies.

For more specific details on your desired sort (counts, geographic breakdowns, custom sorting capabilities, etc.), cost information, or other questions, please contact:

Tina Matillano

Phone: (847) 240-1344

e-mail: mailinglist@aad.org

The Academy rents its membership mailing list, which includes mailing addresses only, in accordance with these and other, more specific guidelines. The Academy does not rent or otherwise disseminate other member information, including but not limited to e-mail addresses and fax numbers, to other organizations.

Boost your Visibility

The Academy's meeting website and meeting app are the go-to location for attendees to access the latest meeting and exhibit information. Enhance your company's presence and showcase products, brands, logos, and more! Upgraded listings can be purchased through the Exhibitor Resource Center (ERC) or by emailing cpayne@mapyourshow.com

Convention Center Advertising

Get unmatched visibility for your product messaging throughout the Facility with banners, digital media, and more! Detailed information will be available in August 2026. Contact Jacki Premak, jpremak@aad.org.

Advertising

Exhibitors must abide by Academy Advertising Standards. Refer to Academy Advertising Standards available at <https://www.aad.org/advertise/about/advertising-standards>.

Exhibit items, advertising literature or pamphlets that are distributed may contain only recognized indications and claims. Advertising in any media that particular products or services have been exhibited at the Academy Annual Meeting or in a manner that could be construed as an endorsement by the Academy or by its members is prohibited.

With the exception of the Academy approved recognition programs, Academy logos, seals, trademarks, service marks, or other similar property rights, including those that are in disuse, may not be used in connection with any product or advertising materials displayed or distributed.

Exhibitors shall not transmit or permit anyone to transmit any part of the Annual Meeting by means of radio, television, cable, videotape or other method of transmission of aural or visual reports. Exhibitors may not reference any part of the Academy Scientific program in any of their exhibit marketing materials or within their exhibit booth.

Advertising materials, other than official Academy advertising programs, may not be distributed outside the exhibitor's booth. This applies to distributing flyers, handbills, invitations, magazines or other advertising materials to hotel rooms of Annual Meeting attendees. Canvassing or distributing materials on the property or grounds of the convention center or hotels used by the Academy during the Academy Meeting is prohibited.

Photography, Video Recording, Streaming Video

Due to the sensitive nature of many products or services displayed within the exhibit hall, the Academy enforces strict policies regarding photography and videography as follows:

Photography, Videography/Streaming Video is permitted under the following conditions:

- Exhibiting companies are required to use the AAD official photographer/videographer, or their own full-time staff (no contractors).
- Exhibitors may photograph/videotape within the confines of their own contracted exhibit or meeting space.
- Exhibitors may not photograph another company's exhibit booth, personnel or activities.

Exhibitors are prohibited from inviting outside photographers or videographers onto the exhibit floor to document their booth and/or their products or services. Anyone with a camera or recording device attempting to gain access to the exhibit floor will be denied entry. This includes non-registered staff from the exhibitor's company, local broadcast media or public relations staff under contract with the exhibitor.

Conference attendees may take photographs during oral or poster presentations provided that the photographs are strictly for personal, noncommercial use and are not to be published in any form. Attendees are prohibited from using flash photography or otherwise distracting the presenters or members of the audience.

Attendees will be required to sign an attestation during registration stipulating that they agree that the photos will only be used for personal, non-commercial use. Speakers may use watermarks or include text on slides to indicate personal copyright of images.

The AAD Meetings are wholly owned by the Academy and not public events. Programs presented at the AAD Meetings are for the education of attendees and purchasers of recorded presentations as authorized by the Academy. Any unauthorized use of program content, the name of an Academy speaker and/or program title, or the name of Academy without the written consent of the Academy is prohibited and will be grounds for termination of exhibitor privileges and prosecution for infringement of the copyright laws.

For purposes of the preceding sentence, 'program content' includes, but is not limited to, oral presentations, audiovisual materials used by speakers and program papers, outlines, other hand-outs, poster presentations and exhibit hall activities. This rule applies to unauthorized uses of Academy program content before, after and/or during the meeting.

Badges

All representatives of exhibiting companies must register and wear the official exhibitor's badge for admission to the exhibit hall and for the duration while the exhibitor is in the exhibit hall. The company name that appears on the badge will be the name provided on the Application/Contract. Company name changes will not be accepted on-site. Company badges will not be accepted in lieu of the official badge. Individuals who do not have badges will not be admitted into the exhibit area. Badges may not be altered or covered in any manner. Individuals found in violation may be asked to relinquish their badge and escorted from the exhibit hall.

Exhibit Booth Access

Exhibit personnel may not enter another exhibitor's booth without obtaining permission, nor may they conduct activities, which in the opinion of the Academy, impede another exhibitor's ability to conduct business. This is in respect of the rights of other exhibitors to conduct business during exhibit hours without interference or improper intervention. The Academy, its representatives and employees, shall have free access to any exhibit at all times.

Off-Hours Admission to Exhibit Hall

During show days, exhibitors wearing badges may enter the exhibit hall at 8 a.m. and may remain in the exhibit hall one half hour after the close of the exposition.

Companies who wish to hold staff orientation meetings within the confines of their booth may do so two hours before the exhibit hall opens. Exhibit personnel must wear their badge to enter the hall. Meetings with physicians or individuals other than your booth personnel prior to the opening of the exhibit hall are prohibited.

Booth Activities

The exhibitor is permitted to demonstrate the firm's equipment, make informational presentations regarding the product line or service, and distribute product information and related product marketing activities from the exhibit booth. CME activities are not permitted in the exhibit hall. Physicians may be badged as exhibitors and staff the booth, provided they are either full time employees or paid consultants of the exhibiting company. Physicians are only permitted to conduct promotional presentations within the exhibit booths, or Exhibitor Product Theaters. Physicians are required to disclose their relationship with the company/product, to the audience. Only such activities which, at the discretion of the Academy, are in keeping with the professional deportment of the exhibits program will be permitted.

Exhibitors may utilize the services of celebrities or other individuals who are officially contracted spokespersons for the exhibiting company; however, booth activities involving celebrities must be submitted to the Academy in writing. The individual's name, proof of contractual relationship and the dates and times requesting their presence in the booth must be submitted to the Academy, for review by February 3, 2027. Allow 15 business days for Academy review and response. Only those companies with sufficient space within their booths to accommodate crowds will be considered. Companies utilizing less than 400 sq feet of island space will not be considered for this type of activity due to traffic control concerns.

Under no circumstances may exhibitor marketing activities take place outside the exhibit booth, whether in or around the facility, or the hotel properties during Academy program hours. Activities that interfere with normal traffic flow, infringe on other exhibits, or interfere with any meeting activities as determined by the Academy, are prohibited.

Demonstrations

Demonstration areas should be placed a minimum of 5 feet in from the aisles. Aisles may not be obstructed due to any activities within the booth. Exhibitors are responsible for monitoring attendance to prevent aisle congestion.

Presentations will be limited or eliminated in situations where overflow becomes a problem. Exhibit personnel or devices may not operate outside the booth space assigned during the official meeting hours. This includes travel to and from the booth space assigned and to and from a company's multiple booths.

Product and service demonstrations may be conducted by professional presenters or models; however, demonstrations are to be straightforward, professional and non-combative in nature and must avoid excessive crowds, noise, heat or light. The display of offensive materials, as determined by the Academy, is prohibited.

The use of live animals and live subject demonstrations for the purpose of demonstrating techniques that involve equipment, devices, or prescription pharmaceuticals is prohibited. Cosmetics and non-prescription (OTC) skin care products may be demonstrated on live subjects as long as the equipment/procedure does not require a medical license.

Medical Devices that require a medical license to perform may not be demonstrated on live subjects.

If you are planning to conduct a simulation (equipment turned off), you may do so under the following conditions:

1. Equipment must remain off at all times.
2. Prominent signage must be present in the booth to indicate that the activity is a "Simulation Only" and that "Equipment is not operational". This will clearly inform attendees that you are compliant with Academy rules and regulations.

Because the exhibition of experimental products or services, the efficacy of which may not yet have been fully determined or which may not yet be commercially available, may in some cases be of significant scientific educational value, the exhibition of such products or services may be permitted if the basic criteria for exhibits are satisfied.

However, permission to exhibit such products or services shall be subject to the conditions that the products or services be clearly identified as such in the exhibit area, and that full documentation as to the extent and results of research conducted with respect to such products or services be available in the exhibit area for examination by any registrant at the meeting.

The exhibition of products and services including such experimental products and services must also be in accordance with all applicable FDA regulations, as discussed more fully under the FDA Regulation section of this prospectus, and the approval status on any such product or service must be disclosed to all registrants that visit the exhibitor's booth. Exhibitors assume all responsibility and liability for any live demonstrations of cosmetics or non-prescription products conducted in their booth.

If there is any question/concern whether a booth activity fits within the Academy guidelines, it is recommended that the company submit the activity for approval by February 3, 2027.

Sound Management

The use of sound systems is permitted provided it does not interfere with the ability of neighboring exhibitors to conduct business activities. Any exhibit may be closed if deemed by the Academy, in its sole discretion, to have an excessive noise level.

FDA Regulations

Exhibitors must abide by all applicable Food and Drug Administration (FDA) regulations, including but not limited to any or all approval requirements. Exhibitors are reminded that the FDA generally prohibits the advertising or other promotion of investigational or unapproved drugs and devices. The FDA also forbids the commercial promotion of approved drugs or devices for unapproved uses. Unapproved devices may be displayed only if they are the subject of an effective investigational device exemption (IDE) or if they are the subject of a pending 510(k) pre-market notification application. Any investigational product that is displayed or graphically depicted within the exhibit must (a) contain no claims of safety or effectiveness, (b) contain no comparative claims to other marketed products, and (c) be accompanied by a sign clearly and prominently stating that the device is limited by federal law to investigational use and is not approved by the FDA for commercial distribution in the United States. Exhibitors may not sell, commercialize, or take orders or names with respect to an investigational drug or device, or a device that is the subject of a pending 510(k) application, unless limited to research or investigational use.

FDA districts may permit release of articles (including medical devices, pharmaceuticals, and biologics) which may not be in full compliance with U.S. laws and regulations, for exhibition at Trade Fairs, under Customs and Border Patrol Supervision (Fair Trade Act of 1959). The exhibiting company must display a placard in its booth, advising that the product may not be in compliance with applicable FDA regulations. These companies may not sell, commercialize, or take orders with respect to US Physicians.

These restrictions are not intended to limit the full exchange of scientific information regarding an investigational drug or device.

If the FDA or a court of competent jurisdiction determines that a company's exhibit at an Academy meeting is in violation of any FDA regulations, including but not limited to the promotional restrictions and rules described above, the company must immediately cease exhibiting any offending products and may be subject to sanctions, including but not limited to exclusion from exhibiting at subsequent Academy meetings.

Concerns or questions regarding compliance with FDA regulations should be addressed to the FDA as follows:

Principles of Corporate Relationships

Founded in 1938, the AAD is a 501(c)3 nonprofit organization dedicated to promoting leadership in dermatology and excellence in patient care through education, research and advocacy. The Academy invites organizations who support this mission to partner with the AAD.

Partners of the AAD are corporate members, sponsors and/or grantors that are recognized for their support of:

- Academy Initiatives and Mission
- Dermatology Education Review and Mastery (D.E.R.M.) for Industry
- Medical Education and Practice Management
- Patient and Public Health

Additional recognition is included in the Academy's corporate partner programs, per level of giving. For more information, please view the Corporate Partnership Programs or email CorporateTeam@aad.org.

IFPMA, EFPIA and PhRMA Guidance

Exhibiting companies should consider systems to appropriately address the situation where health care providers (HCPs) view materials from countries other than their own, avoiding promotion directed to people not qualified to receive such content and promotion of unlicensed medicines and/or indications.

Explanatory Statements/Disclaimers

As stated above, exhibiting companies should include a statement explaining to attendees when entering their booth/exhibit to help them understand the context by which the material was developed and to highlight that the content may not be applicable to their country.

Examples include:

- "You are viewing an International Congress run by [society name] and provided to international HCPs from around the world. Please note that prescribing information provided here may vary depending on local approval in each country.
- "The materials for [PRODUCT(S)] contained in this exhibition are approved for use only in [COUNTRY]. Prescribing information may vary depending on local approval in each country. Therefore, before prescribing any product, always refer to local materials such as the prescribing information and/or the Summary of Product Characteristics (SPC)."

Giveaways and Promotional Items

The Academy requests compliance with all applicable industry, state and federal regulatory and governmental agency guidelines (e.g., AMA, PhRMA, AdvaMed, OIG, FDA, FCC, FTC, etc...) with respect to product giveaways.

Acceptable giveaways should primarily entail a benefit to patients, be related to the physician's work, and should not be of substantial value.

The Academy, in its sole discretion, shall have the right to prohibit the distribution of any items it deems objectionable or otherwise inappropriate. Exhibitors are encouraged to minimize waste for any promotional or giveaway items to lessen carbon footprint.

Booth Catering

Exhibitors will be permitted to distribute food and beverage items. Items must be ordered through the exclusive food and beverage provider for the facility. A catering order form will be included in the Service Manual.

Laser Precautions

In keeping with the recommended safety precautions for lasers, the Academy has adopted the following policies for laser exhibitors in the exhibit area:

- Lasers must be operated in a manner that is consistent with accepted industry safety standards (e.g., ANSI standards and/or American Laser Institute standards). Under no circumstances may lasers be operated in a manner that poses a safety risk to persons standing or walking in the vicinity of the exhibitor's booth. The Academy reserves the right to determine whether a laser poses such a safety risk.
- Lasers must be operated only within a suitable enclosed space with eye protection for those viewing and operating the lasers.
- All demonstrations of CO lasers must be conducted in clear plastic boxes with all sides enclosed, including the top. Smoke evacuators must be used.
- Appropriate plastic colored cubicles must also be available for any other type of laser being used, including dye, KTP, diode, ND:YAG, alexandrite and ruby lasers.
- Appropriate eye and electrical protection must also be required for non-laser light source and radiofrequency devices.

The Academy may conduct random inspections of laser companies during the exhibition. Exhibitors will be required to comply with any judgment related to safety concerns issued by the Academy.

Failure to comply with these policies will result in the denial of the use of lasers in connection with the exhibit.

Selling and Order Taking

Sales are permitted with exception of the condition listed, (See FDA Regulations), provided transactions are conducted in an appropriate professional and businesslike manner.

It is the responsibility of each exhibitor to collect and remit all city and state sales taxes.

The Academy reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

Smoking

The Academy meeting is a smoke-free environment. This applies to the entire facility.

Exhibitor Meetings & Events

With the exception of booth and Meeting Suites, meetings held in the exhibit hall during exhibition hours, Academy approval, which may be granted or denied at the sole discretion of the Academy, is required for all off-site exhibitor sponsored meetings and events during the Annual Meeting. Exhibitor-sponsored CME activities or subsequently produced CME activities are not permitted.

Exhibitors planning to hold a meeting or event must submit the Exhibitor Meeting Request Form to the Academy.

Exhibitor meetings and events, involving medical personnel (physicians, residents, medical students, physician assistants, nurse practitioners, registered nurses and office staff), must not conflict with the Academy's educational and exhibit program hours.

Please visit the Exhibitor Resources website for full information on hosting a meeting or event.

Hospitality Suites, social functions and other non-CME meetings may only be held by companies that are exhibiting at the Annual Meeting. Companies requesting a hotel suite for their functions should do so through the Academy Housing Service at the same time that sleeping room requests are made.

If there is any question/concern that an activity fits within the Academy guidelines, it is recommended that the company submit the activity for approval.

Specific actions may be taken by the Academy for violation of any provision of these guidelines. Violations of any Academy policies, guidelines, rules or regulations may result in the loss of priority points for future space assignments and/or immediate removal from the exhibit hall and/or denial of exhibit space at future meetings.

The action taken will be determined based on the particular circumstances of the violations, but in cases involving major violations, may include legal action.

Booth Staffing

As a courtesy to the physicians attending and to your fellow exhibitors, all exhibits must be open at the officially designated time each morning and staffed throughout each day of the meeting until the scheduled closing of exhibits at 3 p.m. on Sunday, March 21, 2027.

Subletting of Space

Subletting, sharing, allocation, partnering or any other similar arrangement of exhibit space is prohibited. An exhibitor may neither assign, allocate, nor apportion the whole or any part of exhibit space allotted, or display any goods other than those manufactured or distributed by the exhibitor in the regular course of the exhibitor's business, nor permit any representative of any other firm to solicit business or take orders in the exhibitor's space. The featuring of names or advertisements of non-exhibiting firms or businesses will not be permitted.

Suitcasing & Outboarding

"Suitcasing" and "Outboarding" are unethical, parasitic business practices in which non-exhibitor and non-sponsor meeting registrants attempt to gain access to conference attendees either by soliciting business in the convention center or by hosting unauthorized off-site events during AAD Meetings.

AAD exhibitors and sponsors are valued partners in the success of our meetings & conventions. To protect our partners and their investments in attending the AAD Meetings, AAD Policy strictly prohibits suitcasing and outboarding at AAD Meetings.

Please report any suspected suitcasing/outboarding activity to AAD Management. AAD will investigate all occurrences. Individuals/Companies that violate this policy may be subject to revocation of registration credentials and suspension of future exhibit or registration privileges.

Surveys

All surveys must be conducted within the confines of the booth space assigned. At no time should exhibit personnel leave the booth to encourage attendees in the aisles to complete a questionnaire.

Interpretation and Application of Rules and Regulations

All matters and questions not specifically covered by these Rules and Regulations are subject to the decision of the Academy. Exhibitors agree to comply with all subsequent reasonable rules adopted by the Academy.

Insurance

General liability insurance is mandatory for all exhibitors. Insurance protection will not be afforded to the exhibitor either by the Academy or by the Convention Center.

Exhibitors shall carry their own insurance to cover exhibit material against damage and loss, and public liability insurance of at least \$1 million per occurrence and \$1 million aggregate, against injury to the person and property of others.

The exhibitor shall, at its sole cost and expense, procure and maintain through the terms of the contract for exhibit space, workers' compensation insurance in full compliance with all federal and state laws governing all of the exhibitor's employees engaged in the performance of any work for the exhibitor.

You must submit a certificate of insurance from your selected insurance carrier by February 3, 2027. Policies shall list the American Academy of Dermatology and the meeting venue as a named additional insured. Exhibitors should include in or have a rider attached to their insurance policies covering the period of time from the date of shipment, including the return/arrival date of the merchandise/display at the exhibitor's home base.

If you do not have proof of insurance, show management has negotiated a public liability insurance policy good for the 2027 AAD Annual Meeting, March 19–23, 2027 that you may purchase when the Service Manual is available.

Limitation of Academy Liability

Except as specified below, if, after the Application is accepted and payment has been made, the Academy fails or is unable to provide an exhibitor with the opportunity to exhibit at the Annual Meeting, and the exhibitor is not responsible for such failure, the exhibitor's sole and exclusive remedy shall be the return of all monies that it has paid in connection with the Application/Contract. In such case, the Application/Contract between the Academy and the exhibitor shall automatically terminate, and the Academy shall bear no further liability or responsibility under such agreement. The foregoing refund policy shall not apply to short-term interruptions of the Annual Meeting caused other circumstances beyond the Academy's control. (Refer to Force Majeure)

Indemnification

By submitting an Application and entering into a Contract for Exhibit Space, Exhibitor agrees to indemnify, hold harmless and defend the American Academy of Dermatology, its official directors, agents, members, servants, and employees, from and against any and all such claims, losses, liabilities, damages, and expenses arising in, at, out of, or in connection with the Exhibitor's exhibit or arising out of the manufacture or sale of any goods or services by Exhibitor or its officers, directors, employees, agents, representatives, invitees, agents or contractors. Such indemnification shall be effective regardless of any claim of negligence on the part of any Indemnified Party. This provision shall be construed to be incorporated into the Application.

Force Majeure

If, because of fire, strike, earthquake, war, construction or renovation projects affecting the Meeting venue, government regulation, public catastrophe, disease or epidemic, terrorism or the announcement by government authority of the possibility of terrorism, interruption of transportation or communications, Acts of God (including forecasted or actual severe weather), travel advisories by any governmental body or the World Health Organization, or any other circumstance or emergency beyond the control of the Academy, the event, or any substantial part thereof, is prevented from being held or is canceled by the Academy, or any portion of the exhibit space becomes unavailable, the Academy in its sole discretion shall determine whether to refund to the Exhibitor no more than its proportionate share of the balance of the aggregate exhibitor fees received which remains after deducting expenses incurred by the Academy and taking into account the portion (if any) of the exhibit space that was or could have been used by the Exhibitor. In no case shall the amount of refund to Exhibitor exceed the amount of the exhibit fees paid. Exhibitor further understands that the Academy may in its sole discretion cancel the Event for reasons other than those stated above, in which case Exhibitor's sole remedy is a refund of any fees paid to the Academy.

Data Privacy and Other Policies

The Academy's data privacy <https://www.aad.org/legal-notice>, <https://www.aad.org/legal-notice/legal-eu>, and others are contained in the exhibitor Application and/or related registration materials and are incorporated herein by reference.

Miscellaneous

This Space Application/Contract is the entire agreement between the parties with respect to exhibiting at meeting and may not be modified or assigned without the prior written consent of the Academy. The Academy will not entertain any amendments or alternative agreements with respect to exhibiting at the Academy meeting.

Governing Law

Exhibitors agree that any disputes between the Academy and the exhibitor arising out of the exhibitor's participation in the Academy meeting shall be brought in the courts of Cook County, Illinois, and shall be governed by the laws of the State of Illinois.

Temporary Personnel

Temporary booth personnel should be provided with the company name, booth number, and company contact. These individuals cannot gain entrance into the exhibit hall without a proper badge and badges will not be issued unless the individual presents exhibiting company documentation of their contracted work status. Attire of models shall be consistent with the professional atmosphere of the Academy Annual Meeting.

Media Related Activity

The Academy's Press Office is responsible solely for the extensive media activities conducted by the Academy and does not interact with exhibitor media matters. The Press Office does provide limited space near the Press Office for the display of Exhibitor media materials. Exhibitor media materials may not be displayed/distributed in any other location in the convention center. Detailed information and guidelines will be available in the Service Manual.

Press registrants of the Academy have access to the exhibit hall during regular exhibit hours for reporting purposes only. Television cameras/film crews are not permitted in the Exhibit Hall. Filming and photographing the exhibits is prohibited.

Exhibitors may not conduct media events in the exhibit hall at any time during the meeting.

Media related activities, involving medical personnel (physicians, residents, medical students, physicians' assistants, nurse practitioners, registered nurses, and office staff), may not be scheduled during the Academy's educational and exhibit program hours. Media related activities are permitted at the following times:

Tuesday, March 16 – Thursday, March 18	All Day
Friday, March 19 – Sunday, March 21	Before 7:15 a.m. & After 7 p.m.
Monday, March 22	Before 7:15 a.m. & After 5:30 p.m.

Meeting Rooms

The Academy will not assign meeting space to companies that are not exhibiting at the convention. With the exception of Meeting Suites for rental in the exhibit hall, meeting space is not available at the convention center.

Companies planning an event within a hotel near the convention center may request approval for space, through the Academy, by completing and returning an Exhibitor Meeting & Event Request Form found within the Exhibitor Resources website.

Space is generally not available at the Headquarter Hotel. Space requested at other hotels will need to be secured independently once it has been approved by the Academy.

Exhibitors will be notified of the status of their request within 10 business days after it has been received. The exhibitor will then work directly with the hotel to finalize all arrangements.

Only confirmed exhibitor functions and/or hospitality suites are permitted.

All exhibit crates must be empty and tagged for storage no later than 2 p.m. Thursday, March 18.

All installation must be completed by 5 p.m., Thursday, March 18. All large display crates must be removed from the exhibit floor by 5 p.m. on Thursday, March 18, for the service contractor to have access to install the aisle carpet. Display space not claimed and occupied by 2 p.m. on Thursday, March 18, may be canceled or reassigned without notification or refund.

If the exhibit is on hand physically onsite at the meeting and delivered to the appropriate booth location, the Academy reserves the right to:

- Assign labor to set up any display that is not in the process of being erected by 2 p.m. on Thursday, March 18
- Order the removal of all display materials and crates not in the process of being set up by 2 p.m. on Thursday, March 18

The charge for labor to complete either of these options will be billed to the exhibitor and the Academy shall have no liability for such work. Labor within the booth may be provided either through an exhibitor appointed contractor (EAC), the official service contractor, or the convention center.

All individuals working in the hall must be badged. Infants and children under the age of 16 are not permitted on the exhibit floor at any time during installation and dismantling hours, show hours, before and/or after show hours.

Dismantling of Exhibits

Exhibits must not be disturbed, dismantled, or be in the process of being removed before 3 p.m. on Sunday, March 21, 2027.

Exhibitors dismantling before this time will be assessed a fee of 10% of the total booth fee and may forfeit their company's right to exhibit at meetings of the American Academy of Dermatology for a period of 18 months from the time of the violation.

All exhibit materials must be packed and labeled for shipment by 5 p.m. on Monday, March 22, 2027. If the exhibitor fails to clear their materials from the exhibit area in a timely fashion, the exhibitor shall indemnify, hold harmless and defend the Academy from and against any and all fees or expenses the Academy must pay to the convention center as a result of late removal. Any property remaining in the exhibit area after the termination of the Annual Meeting may be disposed of or stored, at the exhibitor's sole cost, as the convention center deems appropriate.

Official General Service Contractor

General questions regarding any services should be directed to:

FREEMAN

Phone: (888) 508-5054

Fax: (469) 621-5608

Email: ExhibitorSupport@freeman.com

Freeman and all other contractors listed in the Service Manual act on their own behalf in all arrangements with exhibitors and are not agents, employees or representatives of the Academy. All services or materials supplied by such contractors on order of the exhibitor will be billed directly by the contractor to the exhibitor. Therefore, the Academy does not assume liability or responsibility for any act performed or omitted by such official contractors, and the exhibitor agrees to look only to such official contractors in such event.

Official Drayage Contractor

Freeman has been designated as the official drayage contractor. The official contractor is responsible for maintaining all in and out traffic schedules at the show site and handling the move-in and move-out of all exhibitors' materials and equipment. Freeman maintains control and has priority at the loading areas at all times.

Advance Shipments — Warehouse

Advance shipments are made to the official drayage contractor's warehouse and will be received as many as 30 days in advance of the meeting, stored and subsequently delivered to your exhibit space.

Direct Shipments — Convention Center

Direct shipments are made directly to the convention center loading dock for delivery to your booth and will be received beginning Tuesday, March 16, 2027. Detailed shipping information will be included in the Service Manual.

Exhibitor Appointed Contractor (EACs)

If an exhibitor is planning to utilize an outside Exhibitor Appointed Contractor (EACs) contractor, the Academy must receive written notification from the exhibiting company of the name, address and telephone number of its designated outside contractor and the name of the designated contractor's supervisor who will be responsible for on-site work in the exhibit area no later than February 3, 2027. A Notice of Intent to use a non-official Contractor must be submitted online. Notice from the contractor shall not be considered sufficient evidence of the contractual relationship between the Service Company and exhibitor.

EAC's shall carry their own insurance to cover exhibit material against damage and loss, and public liability insurance of at least \$1 million per occurrence and \$1 million aggregate, against injury to the person and property of others.

The EAC shall, at its sole cost and expense, procure and maintain through the terms of the contract for exhibit space, workers' compensation insurance in full compliance with all federal and state laws governing all of the exhibitor's employees engaged in the performance of any work for the EAC.

Policies shall list the Academy as a named additional insured. EAC must submit a certificate of insurance to the Academy office and General Service Contractor by February 3, 2027.

Exhibitor Appointed Contractors providing services at the Annual Meeting are subject to any and all rules imposed by the convention center and the Academy. Service desks of any sort (including use of crates, stacks of ladders, gang boxes, etc.) will not under any circumstances be permitted in the aisles.

Exhibitor Appointed Contractors must not engage in the solicitation of business on the exhibit floor for present or future conventions. To protect the security of the exhibit hall, EACs will not be permitted in the exhibit hall before or after designated exhibit hall access hours.

Work Passes

Unregistered exhibitor personnel and Exhibitor Appointed Contractors who would like access to the exhibit floor during installation and dismantling hours will be required to show proof of affiliation with the exhibiting company or EAC to receive a work pass. Work passes are not valid during show hours. Individuals will be asked to leave the floor and register as an exhibitor for a specific exhibiting company.

Service Manual

The Service Manual contains all the forms and information necessary for ordering labor and services at the Academy Annual Meeting. The manual will contain order forms for services such as rental furnishings, booth carpet, labor, signage, plumbing, floral, audiovisual, telephone, photography, electrical services, rental displays and cleaning. Detailed information regarding all work rules and specific rates will be included in the Service Manual. The Service Manual will be available to you in September 2026.

Exhibitor Service Center

A service center located in the exhibit hall and staffed by representatives of official contractors will be open on Tuesday, March 16, 2027, through Monday, March 22, 2027.

Exhibit Hall Lighting

Half Lighting will be provided during official setup and dismantling hours. During the meeting, lighting will be provided one hour before the opening of the exhibit hall until the close of the exhibits each day.

Security

Exhibitors are responsible for safeguarding their goods, materials, equipment and exhibits at all times. General guard service will be provided by the Academy for the exhibition period to monitor exhibit hall access points, but neither the guard service, the facility or the Academy will be responsible for the loss of or damage to any property. The Academy strongly encourages exhibitors to provide their own booth security.

Storage

Combustible/flammable materials such as brochures, literature, giveaways, etc. within exhibit booths are limited to a one-day supply. Nothing may be stored behind booths including packing containers, carrying cases, etc. A limited amount of product storage space will be available on the exhibit floor. Reservations to secure a portion of this space must be made in advance to the General Service Contractor. Storage reservation forms will be included in your Service Manual. Availability is limited and will be confirmed on a first come/first served basis and charged by the cubic foot.

All other exhibit materials must be stored inside the exhibit booth. Storage space will be available on the exhibit floor.

Reservations to secure a portion of this space must be made in advance to the General Service Contractor.
