

STI/STD Resources

CDC

- **STI Treatment app** - The app offers quick and easy access to streamlined STI prevention, diagnostic, and treatment recommendations. <https://www.cdc.gov/std/treatment-guidelines/provider-resources.htm>
- **STI Treatment Guidelines** - [STI Treatment Guidelines](#)
- **Screening recommendations for transgender and gender diverse people** [Transgender and Gender Diverse Persons](#)

National Network of STD Clinical Prevention Training Centers

The National Network of STD Clinical Prevention Training Centers (NNPTC) is funded by the Centers for Disease Control and Prevention (CDC) to assist clinicians in the United States with the skills, knowledge and experience that they need to address and prevent STDs in their patients.

The NNPTC is made up of 8 regional centers assisting clinicians in their training area and 2 national centers working on specific project areas. [Home | National Network of STD Prevention Training Centers](#)

- **Clinical Consultation Line** - a warm line for licensed healthcare professionals and STD program staff
[STDCCN Ask Your Question](#)
- **National STD Curriculum** - a free, self-study educational training website focused on the epidemiology, pathogenesis, clinical manifestations, diagnosis, management, and prevention of STDs. Free CME credit and CNE/CE contact hours are offered throughout this site.
