

Sabra Sullivan, MD, PhD, FAAD
Board of Director Candidate

I'm Sabra Sullivan and I respectfully ask for your vote to elect me to the Board of Directors.

I know it's been a tough time for everyone, and as a solo private practitioner in Mississippi I appreciate this.

In addition to the pandemic, we are facing unprecedented challenges to reimbursement, scope of practice expansions of unsupervised non-physicians, and roadblocks accessing drugs for patients.

The Academy has been a source of pride and a benchmark for leadership.

I seek election to ensure we continue to meet these challenges. My proven record in organized medicine and advocacy shows my ability to lead.

I have 28 years of experience successfully advocating for dermatologists and our patients at the state and national level.

I respectfully ask for your vote. It would be an honor to serve.
